To Wage Active Campaign.

Extension Service, through its county demonstration agents and specialists. is cooperating with local committees business men, bankers and farmers in an active campaign for food production. Steps are being taken to control insect and disease pests which, under normal conditions, reduce crops 20 per cent, by securing the spraying machinery and supplies needed at the lowest possible cost to the farmer. Direction will be inamed regarding the safe and profitable use of commercial fertilizers and of lime. Seed sources and agencies are being organized so that sufficient supplies will be available forced to restrict the bakers of the enincreased live stock production will be tire country to baking only ten-cent urged, including better care and feed. loaves, abandoning five-cent loaves as Pull weight.
