The summer season of 1913 and 1914 were characterized by almost the complete absence of destructive tropical hurricanes which generally frequent the waters of the Caribbean Sea and Gulf regions in 1915, however, two severe storms passed over this; region, and the observations and . reports obtained from its stations ex abled the U. S. Weather Bureau to give timely warnings of the occurrence and progress of these destructive storms, resulting, it is believed, in great saving of life and property.

DO YOU NAVE DIZZY SPELLS?

It's Important To Learn The Cause, As Many Centreville People Have. Dizziness is never a disease of itself it's only a symptom of some deeperseated trouble. Much dizziness is causad by disordered kidneys failing to fil-

fer all the poisons from the blood. These poisons attack the nerves and disziness results. If you are subject to disziness, there is good reason to sue pect your kidneys, and if you suffer backache, headache and irregularity of the kidney secretions, you have further proof. Many Centreville people have learned the value of Dogn's Kidney Pills in just such cases. Read this
