A POWERFUL PHOTO-DRAMA

OF THE

FRONTER LAST

PRESENTED BY

Rex Beach Pictures Co., Inc.

The wonderfully vivid and picturesque Alaskan romances of Rex Beach have been read by hundreds of thousands of people and have made him one of the most popular American authors. His strongest and most widely read story is "The Barrier," which is now, produced in film form. The picture closely follows the swift action and striking situations of the book and is a faithful porval of the wild, rough, lawless life of California and ca in the days when these lands were the haven of ed men and the last frontiers of civilization.
