HOME DEMONSTRATOR. FURthe winning of the war. Next to the acres in oak.

Demonstrator: said this week: ment substitutes. It is a duty, sin e food plays such an important part in tale war, to use them wisely as well, as to produce and conserve.

"The use of partial substitutes for flour means that more wheat will be sent to support the soldiers and the allies, or it may mean that we will h be prepared to use substitutes in case) our supply is limited "One can learn to like cereals other than when' and they are as good if not better Food ONE BLIZZARD ENGILAGE CUTTER predjudice is neither wiedom nor good taste Just because whole wheat is not white, or because corn meal is coar e, or a soy bean meal uncommon. is no reason why they should be scorned and not used Many delichers breads can be made of these mater-
