THIS company offers to the residents of Queen Anne's County the services of a highly-trained, efficient and successful Investment house, a service that has been taken advantage of by over 18,000 clients, not one of whom has ever lost a dollar either in principal or interest, whose stock is worth 100 cents on the dollar, and has paid them not less than 7 per cent. The people should be interested in the crusade to "Make the Dollar Safe," a crusade for the creation of public sentiment looking toward the investment of the people's money in the people's business (corporations) and then adequately safeguarding the investment.

Mr. C. Victor Mathews, our local representative, will be pleased to explain to you the service we offer by phoning him at Centreville 84.
