Here is an exclusive feature in tractor construction that you get only in an Avery Tractor. It is the best idea that has ever been developed for a tractor motor.

The most vital spot in any motor is the inside of the cylinder wall. It gets the hardest wear of any part of the tractor and the Avery Trac-

Secause 'Avery Kerosene Tractors have renewable walls they can also be made of much harder material and will wear longer, can be machined better and make the motor run cooler. This is only one of the exclusive features in the construction of the

Avery Kerosene Tractors. They also have patented sliding frame transmissions are equipped with Duplex Gasifiers, a new device which turns Kerosene into gas and enables Avery Tractors to burn ALL the Kerosene. Come in and see our sample tractors and find out all about the wonderful exclusive features that make the Avery Tractor the best buy on
