AND NOW THEY ARE COOKING TOBACCO TO MAKE IT BETTER

For a good many years The American Tobacco Company have been conducting a series of experiments baving as their object the improvement of smoking

And it is interesting to know that one of the simplest, and that was, that cooking way, just as cooking most feeds improves

They took a real Burley tobacco, grown "LUCKY STRIKE, the toasted cigarette."

and offered them to the public. The result has been the greatest demand ever created for any tobacco product in a

imiler length of time. The change produced by toesting is not . only most wholesome, but the flavor is greatly improved, just as cooking improves meet, for example.
