WEEKS' NEWS AND GOSSIP FROM OLD ANNAPOLIS

BY PAUL WINCHESTER

Special to The Observer)

committees, unacted upon, and through in due time. instances, even unconsidered, the prohibition amendment to the Federal Constitution In this dilatory policy this General Assembly has only followed the unbroken precedents of brought about in many things, but it change the methods of procedure in Legislative bodies in Maryland

Extension bill is still a problem. The measure at the present time seems to tied up in legislative red tape Mayor Preston and the advocates of the bill are vigorously working to solve the problem, but even the most astuute observer of affairs here in the State House can see no solution except as a matter of compromise, and the city people and their allies are opposed to anything except the bill are new county and for which the peo he does not approve of a person bills and all the revenue and other in respect bim

State House, Annapolis, February financial bills will be passed, even if Thou shall never be forgotten. 28.—The General Assembly is in a the clocks have to be turned back, and Session, making up for late Governor Hamilton used to say. and wasted in the earlier "The great army of tax-eaters must be the important bills are fed," and all the money bills will go Happy angels came and took you.

ed in connection with the Democratic Senator Orlando Harrison, of Worcesand, in order to offset acknowledged strength on the Eastern Shore, the Democrats may be obliged to nominate What will be the fate of the City rison's friends are seriously consider Senate, as well as the most untiring idly coming to the front as the most promising man for future leardership on the Eastern Shore, and when he really starts out after anything he us ually gets it, no matter what may be

Senator Kauffman, of Frederick. wide Temperance bill seems to be has attained the position as the most coming to the front and the result independent man in the Senate He may be the side-track for everything refused to vote for Mr Jackson, al else until the dry people have gotten though the latter was the caucus nomtheir pet measure out of the way ince of his party for State Treasurer. And in the back ground are looming and his position on the annexation up all the important appropriation bill is well known. While he is a Red antirace track bills the publican he reserves the right to debills to reduce the size of the various cide for himself what are really party State commissions and last but not matters and he has an old-fashioned. least the bills to provide revenue to honest way of expressing his views pay for all the luxuries the people on on people and affairs so that his polluife Georgianna Hessey who depart lov in the way of officials new roads, sition is never misunderstood. He is ed this life two years ago, February schools and all sorts of public insti personally popular with his colleagues | 25 1916 tutions and hundreds of other public of both parties, and his word is his and private things for which taxes bond in all that he says or does When will be attended to before the final pints and anmietakable language and adjournment as they have been at his views rarely ever undergo a tentidend to in the paint membrane. What change lie to an housest to his country however one think is assured the tax agrees with him or not one is bound

Following a suggestion of the Na! ional War Saving Committee a few The one following was written by Pauline ('hambers'

How We Can Save To Help Win The To win this great War we will have

to save in every possible way First, we can save a part of weekly or daily candy money if every child would eat less candy (which would be better for them) less candy would be made, and this would save sugar which is so scarce at the present time. With this money we could for use, and this War cannot be won unless the Government has money to

earry it on. Second if the children would go less to the movies and save that mon- this is a funny route to Paris. ey they could buy more Thrift Stamps or even in time buy a Liberty Bond

Third. Children can stop sliding leather, if children save their shoes, less leather will be made into chil- hair-raising feats. us unless their feet are protected.

woolen clothes, such as conts, suits with their left. and dresses as much as posible, betrenches, for they cannot stand fighting unless they are warmly clad.

they connet fight well unless they have ceased's estate are hereby warned nourishing food.

If we save in these five ways it will bely win the war and also make the children of America more thrifty. Pollowing is a report of the Thrift's and War Bovings Clube:

IN MEMORIAM.

Oh, how i miss you, dear Joe, More and more each day. While in this world I stay.

In prayers and tears and all in vain. From this world of toil and pain.

In this weary world of strife. As long as God gives me life. By his loving wife.

What is home without a father? 'Tis now robbed of its flower There are broken, bleeding bearts,

Shall spend many a lonely hour Leaving emptiness, darkness, dispair

Safe in his beautiful mansion there.

our hearts. father mine
