Saturday Morning, March 16, 1918.

What a pure, blessed region is the open country. None should go away under the leadership of Mrs. W. G. there is still room on it for another is from it forever, and some should never McAdoo. It has a red border with a spangle, and this last medal is going leave it, so full is it of purity and beau, white center and three vertical blue to be made of marble, and will weigh ty. Its beauty is the basis of some of the fine arts, and the inspiration of all Culture is no more the power to appreciate an orchestra or an opera than the power to appreciate the song of birds. It requires as much culture clover as to appreciate a gallery of art True culture is not the power to aprobin sing without shooting it, the Board is as follows power to walk carefully upon the earth's carpeting of flowers. It spares even the bruised reed. This is the culture of earth and beaven

OUR EXPANDING NEEDS.

The need for saving and economy by our people the need for the most liberal and head financial support of our Government by the people and inidentally the need for some such fi nancial machinery as that sought to a houle has been chosen as one be secured by the war finance corpor the instructors ation bill now pending in Congress are not only verified by the extraordinary demands made upon the United States mercia of its allies but are also empha - best read and apparend sized by the growth of our own domes the trade

\$6.4 (MOC) (MOC) (MOC) | Etc. 151.3 It was brut \$340 see one see The strain on the financial trime life er s mini remember en unf the consta as meet the extraordinary demands in the war can be appreciated by all.

The Secretary of the Treasury, in drafting the war finance bill, gave thorough study to the measures adopt ed by our allies in Europe and to the able the financial institutions of the to the prosecution of the war, and Sec. ed. manued retary McAdon is of the opinion that the mere existence of the machinery it then adjourned to meet again of established by this act would be of March 19th 1918 fective in maintaining confidence and that the actual exercise of the power would seldom be needed
