PARM WORK HELD

WAR DEPARTMENT PLANS FUR-LOUGHS TO THE EN-LISTED MEN.

For the purpose of augmenting agricultural production, it is the intention of the War Department to grant furloughs to enlisted men to enable them to engage in farming during the present season. Commanding officers may grant such furloughs within the prescribed rules whenever it appears they will contribute to increased farm pro-

Furloughs may be given by commanding officers of posts, camps, cantonments, divisions, and departments. They will be for short periods, largely for seeding and harvesting time. They will not be granted to enlisted men of or above the grade of first sergeant, nor in an organization that has been ordered to move or is in transit from ; points of mobilization or training to a port of embarkation.
