TAKES RAP AT THE LAPEL AMERICANS

JUDGE COVINGTON, OF WASHING TON. ALSO SCORES PROFIT. EERS BEFORE CITY CLUB.

Judge J. Harry Covington, chief judge of the Supreme Court of the State who are able to show this year District of Columbia, took a rap at the greatest increase in feed produc the "lapel Americans" and profiteer- tion. While Maryland to not one of ing in an address before the long-table | the great wheat-growing States, record luncheon of the City Club, Baltimore, crops of other foods will, to a great last Saturday.

those "who flaunt the flag, speaking patriotically wherever the arguments develop, in club, or hotel, or other gathering." but who have not themselves, the real spirit of self-sacrifice.

Should Try to Cheapen Goods.

He classed among the "lapel" class those business men who are trying to ere how wide they may make their margin between their costs of production and their selling prices, instead t narrowing that margin-those whole are failing to turn out "more goods |

"That is the real standard of industrial patriotism," said Judge Covinghave lost patience with those men who are at this juncture boast. ing of their patriotism while at the came time they are calculating how ! wide a margin they can make between their production costs and their sales

Defends Administration.

Judge Covington struck a busyant. note when he attacked the "ungridled; criticism' of the Government, the Administration and the departments

"Our war preparations in the first, ment This preparation has far sur manned their concentrated endeaver of the first year

"The skill and industry and supplies that are now bolstering up the French ; and British in France are American i skill and American industry and American supplies. It is because of coordination between America and her Allien

No Constructive Criticism.

"I have heard Americans stand up ; and abuse the Administration and decry the management of the War Department But I have never heard them express any constructive criticism that has a degree of value in it How many of them know that the French authorities officially informed. the United States that America could do more by furnishing the non-fighting materials than by gune and war suppiles. Food supplies clothing supplies and materials that America could produce outside of fighting supples?

"And we have been doing just that. and it is the result of a perfect coordination between England France cough water for a stiff dough. and America

The "complete smashing of every thing smacking of modern German ism, said Judge Covington, was the only aim before the Allies
