Do you who have praised the way they were being your duty to buy Liberty Bonds that merly applied to only Great Britain. Mr Perkins compared the Liberty this food can be supplied for these

## Put Your Seed Bed in Good Condition § With a Tractor

right time. With an Avery Kerosene Tractor you can plow when you are ready. Hot weather or hard ground can't stop you. And wet weather will not put you back long. You can even plow day and

Avery Kerosene Tractors are also light weight enough so that you can do your discing, harrowing and seeding without fear of injuring your seed bed. Getting your seed in good condition is of vital importance. It spells the difference between good crops and poor ones.

### No Farm Too Small or Too Big for an Avery Kerosene Tractor

No matter what size your tarm is there is a size Avery Kerosene Tractor to fit it. They are built in six sizes. The five larger sizes are built alike and have the same design. Also have many exclusive features such as renewable inner cylinder walls, patented sliding frame transmissions and Avery Duplex Gasifier, the new device which

turns kerosene into gas. Drop in and talk over your tractor farming requirements with us. Also get an Avery 1918 catalog which describes fully the complete Avery line of tractors, plows, separators, motor cultivators and plant-
