BEGINS MAY 18TH

### SUPPER IN CENTREVILLE FRIDAY

PLANS ARE RAPIDLY TAKING FORM FOR THE RED CROSS CAMPAIGN IN COUNTY .-- CAP. TAINS OF DISTRICTS APPOINT ED BY CHAIRMAN COURSEY.

The Second Red Cross drive has been fully launched in this county and from now until May 27th everyone should take a deep interest in this worthy cause. Before this war is over there will be, perhaps, a thousand boys from this county in the war If they give their lives in order that those who stay at home may enjoy their liberties, it is as little as we an do to support this cause, which means so much to our boys, and they have a right to know that we are doing our

# Put Your Seed Bed in Good Condition & With a Tractor

To get a good seed bed it is necessary to do your work at the right time. With an Avery Kerosene Tractor you can plow when you are ready. Hot weather or hard ground can't stop you. And wet weather will not put you back long. You can even plow day and

Avery Kerosene Tractors are also light weight enough so that you can do your discing, harrowing and seeding without fear of injuring your seed bed. Getting your seed in good condition is of vital importance. It spells the difference between good crops and poor ones

### No Farm Too Small or Too Big for an Avery Kerosene Tractor

No matter what size your farm is there is a size Avery Kerosene They are built in six sizes. The five larger sizes are built alike and have the same design. Also have many exclusive features such as renewable inner cylinder walls, patented slidin frame transmissions and Avery Duplex Gastfler, the new device which

turns kerosene into gas. Drop in and talk over your tractor farming requirements with us. Also get an Avery 1918 catalog which describes fully the complet
