BUT, IF ANYTHING, THE DEMO-GRATE SHAPE.

Democratic party in Maryland, that tives. part of the leaders of the democratic party is mild compared to the hostility to each other among the most prominent men in the republican party

Among the democrats the differences which have arisen during the past few years, have been entirely remain in Washington to "do his bit" political in their character. There has to backing up President Wilson during been no severance of personal rela- the war crists. Representative Price wings of the party in the State, and the different factions in the City of talking together in apparent harmony. and, as has been said in former letters. there are no insurmountable obstacles to future unity and harmony of action among the democrats of all shades of opinion throughout the City and State Such however, does not seem to be the case with the republicans, whose differences are based not only on polittical reasons, but are also personal to a startling degree In fact, the leading republicans appear to be divided on political grounds, but in many instances carry their hostility to each other to an extreme degree of personal hatred, and make no concealment of the fact Personal batred and political hatred seem to have combined in such a degree among the leaders of the republican factions as to prevent any real harmony of spirit and concert of action at any time in the near future. And no such spirit is evident in the talk or action of any of the democratic leaders in Maryland for all seem ready and anxious to forgive and forget, to give and take, in order to bring about unity of action as well as harmony of party spirit in the fu

leaders show no disposition whatever position is likely in the general electo get together. The faction at present tion. While no efforts have been made in apparent control of the party, of along this line, it is doubtful if a truce which the leading spirits are Messrs, can be arranged between the Demo-Inckson. Weller. France and Tait. crats and Republicans in Maryland in are evidently determined to ignore regard to candidates for Congress as ex-Governor Goldsborough. General has been done in some of the Western Lownden; and their friends and show states on account of the war. The war no disposition to bring about harmony and the question whether the present and unity of action They are evidently members have loyally supported the acting upon the assumption that while "win the war" legislation will be the they are in control, they intend to re overshadowing issues in the eampaign main in control, and will endeavor to Every member of the Maryland deleride roughshod over all opposition gation in the House so far has support Messrs Weller and Jackson are acting ed the Administration's war program upon the theory that the influence of the former republican Governor and General Lownder has been greatly ex. LETTERS FROM THE PEOPLE aggerated and are preparing to run over them and flatten them out with the political steam roller which they control Whether they will succeed remains to be seen Mr. Weller believes in steam roller methods in party management, and Mr Jackson appears to back him up in all his achemes, two of which are, to make Mr Jackson Governor, and land Mr Weller in the United States Senate as the successor to Senator John Walter

Trouble seems to be brewing for Congressman Zihlman in the 6th truck and his driver for beiping load District. There is no little opposition the trash We thank Agnes Wright and to his re-nomination by the Republicans, many of whom do not like him schools and the children who have personally, others do not think he been working so hard in their respecsizes up as a Congressman from the tive parts of the town. 6th District should, while many others We thank the band and the Commisthink that a quarter of a century is long enough for Allegany county to have the Congressman, and that other Counties should have a chance. There is also no little opposition to Mr. Zibiman in his own county, and efforts are being made at the present time to persuade state Senator George Louis Eppler, of Cumberland, to enter the primaries against the present occupant of the seat. Washington County republicans are also at work endeavoring in spite of criticism and discourageto induce Mr. Alexander Armstrong ment, did so much on May first to to become a candidate; and Senator make their town proud of them. The Speicher of Garrett is also urged by committee regrets that a second prize many to enter the fight. The chances was not offered, as both sides worked are that one of the gentlemen named so well. will go to, and if such should be the CLEAN case, the 6th District will see one of its old time strenuous contests, for all the gentlemen named are born fighters, and all have many friends, among the party workers.

It to reported that Speaker Wooden. of Carroll County, who presided over be wants it. Of course the

WILL BUN AGAIN

IS CONFIDENT OF RE-ELECTION.

Representative Jeese D. Price, in response to letters urging him to remain to Congress, has notified a number of his friends that he will be a candidate for renomination in the First Maryland district. He will make his formal announcement later, some time before the primary campaign opens up, and, in view of thef act that State Senator Baltimore, Maryland. May 9th, 1918. test, Mr. Price's announcement will So much discussion has arisen re- contain a resume of his activities since garding the supposed dissention in the he entered the House of representa-

people are apt to forget that harmony Mr. Price has informed his friends has not been so very evident among that he feels confident of renomination the Republicans during the last two or three years; while certain prominent situation on the Eastern Shore has democratic leaders have been out of been made by his friends, and they touch with each other for some time, have reported that he is stronger tothe same state of affairs has existed. day throughout his district than he has Howard & Lexington Sts. and still exists,among the Republicans, been at any other time. In view of Indeed it may be said, without any these encouraging reports and of the prospect of successful contradiction, large number of letters from many of that the hostflity to each other on the his old opponents, he has no fears of

A man would be a "slacker" to retire from Congress voluntarily at the present time, when the country needs the experienced legislator. Mr. Price wrote one of his friends, and he desires to thing President Wilson has asked in the way of "win the war" legislation He surrendered his views on the volunteer system and voted for the Selective Draft law He was instrumental,in conjunction with Representatives Harrison and Flood, of Virginia, in obtaining from Provost Marshal-General, Crowder an order placing all bona fide farmers and farm laborers at the foot of Class A-1, so that they will be the last to be taken into the service under the present call This order of General Crowder's, while not going as far as these Marylanders destred, will have the effect of keeping on the farms to belp plant this year's crops thousands; have been taken into the service during the planting season

Since being in Congress Mr Price has changed his views on the prohibition question He voted for the Webb-Kenyon resolution, submitting to the states an amendment to the Federal Constitution for nation-wide temper-

The entire Maryland delegation in the House will be candidates for renomination and re-election, and Mesers Price and Linthicum so far are the only members who have opposition On the other hand the reupublican within their own parties, although op
