The old coits, two 1-year-old coits. privately they do not besitate to say air is thus dried, edoled and purified that the affairs of the Government. The cooled air immediately descends and especially the conduct of the war. would have been much better managed had the Republican party been in power, and a Republican President in the White House in is the rarest thing to find a Republican of any prominence who will admit that the Democratic leaders, from the President down, know anything worth consideration about Government, and what they call "the mistakes of the Administration." are freely discussed and criticized in been done is commended in fact. if it is broken or lost a constant while there is no doubt as to the real loyalty and patriotism of the rank and file, as well as the leaders of the Republican party, there is also no doubt PUBLIC SALE records for the purpose of gaining poli- farm, situate about 3 miles from Cen- four 3-horse plows, two 2-horse plows, plements and utenalls. tical power. For more than a general treville, on the east side of the State two 1-horse plows, five walking cultion after the Civil War, it was their Road leading from Centreville to Wye tivators, two fodder shredders, two For all cume of \$10 and under, cash chief stock in trade, and they are pre- Mills, in the Third Election District corn shellers, corn grinder, cutaway at time of cale; for all sums over that paring to use war record, loyalty, pat. of Queen Anne's County, Maryland, on harrow. Acme harrow, two scoops, amount a credit of 12 months will be efforts to regain the power they lost when President Wilson was elected Monday, Aug. 5th, 1918 wire stretchers, lot of double harness, notes of the purchasers with security single harness, pipe cutters, and dies, approved by the undersigned, payable six years ago. Democrats should not beginning at 10.00 o'clock A. M., the corn knives, pitchforks, shovels, in bank and with interest from day be deceived by these old-time Repub following personal property to wit: spades, bramble scythes, grubbing of sale added. No property to be relican dodges-they should remember. that the Democratic party is now in) control of all branches of the National Government, that the Democratic party is responsible for the conduct of the war, and that no change should be allowed through any negligence or lack of interest on the part of the Democratic voters of the country There. are numerous signs that the Republicans are preparing to make a strepnous and vigorous effort to gain control of the Congress to be elected next; November, and it will not do for the Democrats to jeopardize the election of any Democratic candidate in any district in the whole land. Notwithstanding the paramount interest in the war, and the apparent lack of interest in party affairs, the Democrats should wake up to a realization of the situation. The Republicans are awake; and are up and doing, and the war is not preventing them from making preparations to win in November. And it behooves the Democrats of Maryland to wake up, if they wish this State to do its part to sustain the
