..A NOVEL

"The Iron Trail," "The Spotlers

Copyright, by Harper and Brothers

(Continued from Page Two) "Fo! Not subdued yet, ch? You need another flogging."

"Curse you and all that is yours, roared the maddened slave. "May you know the misery you have put upon me. May you rot for a million years in bell. May your children's bodies grow fithy with disease; may they starve;

may they-" Sebastian was yelling, though his voice was boarse with pain. The lash drew blood with every blow. Meanwhile, he wrenched and tugged at his bonds with the fury of a maniac. "Pablo! Your machete, quick?"

panted the slaveowner. "I'll make an end of this black flend, once for all."

terest they would display at the whip- hie ping of a balky horse; and, now that the animal threatened to become dangerous, it was in their view quite the turned in time to see a wenderful and a terrible thing.

Sebastian had braced his naked feet mous body. As Pablo stared he saw it more rapidly the heavy grating come away from its anchorage in the solid masonry, as a shrub is uprocted from soft ground. quite incane. His face was frightful to behold; it was apelike in its animal rage, and he towered above his master like some fabled creature out of the of the State as a deficit in men for the African jungle of his forefathers.

Schastinn's fists alone would have which Pancho Cueto had locked upon

down together upon the hard stones, minds Again Sebastian smote, with his massive bands wrapped in the chain and
