ENTHUSIASM.

Enthusiasm is the greatest business handed the enthusiast convinces and dominates where a small army of workers would scarcely raise a tremject, and like an avalanche overwhelms and engulfs all obstacles Enthusiasm is faith in action; and remove mountrinous barriers and achieve the unheard of and miraculous. Set the germ of enthusiasm affoat in your business; carry it in like a contagion and influences every fibre of your industry; it begets and inspires effects you did not dream of. it means increase in production and ; workers, it means life, real and virile; it means spontaneous bedrock resuits the vital things that pay dividends Electrocroft

WHAT YOUR SUBSCRIPTION MEANS.

When you subscribe to a Liberty Loan you subscribe to the sentiment that the world must be made safe for democracy and subscribe to the fund that is to make the world safe for democracy.

You subscribe to the belief that innocent women and children on unarmed ships shall not be sent to the bottom of the sea; that women and children and old men shall not be ravished and tortured and murdered under the plea of military necessity; that nurses shall not be shot for deeds of morey, nor bospital ships be sunk fortified vities be bombed or cannonaded with long range guns.

You subscribe to the doctrine that small nations have the same rights as great and powerful ones; that might is not right, and that Germany shall not force upon the world the domining of her military masters

to a Liberty Loan, to the belief that members. Massey, Coppage and Nor-America entered this war for a just and noble cause; that our soldiers in France and our sallors on the sea are fighting for right and justice

was continued in effect for the 1919 crop by President Wilson Monday in a proclamation fixing \$2.20 as the minmum price at primary markets. Win ter wheat will be sold at this price. but the President accompanied his proclamation with a statement giving to report on increased costs of farm labor and supplies to guide him in determining whether there shall be an advance in price for the spring crop. Such an advance, if given, the President said, would apply only to pro-

ed their 1919 production. The possibility of peace before the middle of 1920 was touched upon in the President's statement in connection with the risk that by guaranteeing wheat prices the Government might lose as much as \$500,000,000 if Europe should find its supplies available from the Southern Hemisphere.
