Here's the Ford Sedan—a mighty comfortable car for every day of the year. Has most enjoyable refinements combined with all the utility of the touring car. Finely upholstered-almost luxuriously-with plate glass sliding windows, it is cool in hot weather while dry and warm in fall and winter. It is the regular simple-to-handle and ever-enduring Ford chassis with a bonton body—the family car that not only pleases with its comfort but saves money in low first cost and after operation. Let us give you a demonstration.
