BARTLEY CONLON. Scipio, Jennings Co., Ind.,

May 28, 1868. Personally appeared before me Bartley Con-lon, and upon oath, says the above statement is true. M. G. BUTLER, Notary Public.

A Positive Cure for Diarrhea, &c. STONEBRAKER'S INDIANGUM SYRUP, will positively cure any and every case of Dietrhea, Dysentery and Summer Complaint, no matter how severe the case may be. It never fails in a single instance, and as a 800THING SYRUP, it acts with equal certainty, being far superior to any other in use.

Mothers should bear this in mind. Sold by all merchants and druggists.

Nothing Can be Worse Than to Coughing Night and Day. Use the great Remedy, DR. 1. J. MARTIN'S PULMONARY BALSAM.

-Congress has ratified the treaty made by the late Sioux commission for the transfer to the government of the portion of the Black Hills country included in the Sioux reservation of 1868. The Black Hills are, therefore, now a portion of the public domain, and legally open to occupation and settlement by citizens. The scon be in such continuous use as to especially old corn, is higher. Barley re cide on Monday by hanging himself diminish almost to nothingness the risk mains without quotable alteration, but to a rafter in the garret of his residence. of attack from hostile Indians. There trade is rather better. Malting and grin- About four months ago, while cashier, are already large numbers of miners in ding qualities have maintained previous an examination of the books of the bank the Hills, large numbers are on the way, and still large numbers are getting ready to go. It is stated that even in this city values. companies are being formed to go to the Black Hills within a short time. Two stage lines now run regularly to the Hills, the popular excitement over the discoveries of the precious metals there is very great, and the indications are that the region will be as full of miners this summer as a Nebraska cornfield with grasswashing out \$200 worth of gold a day facts, as shown by advices from the rural have a stimulating effect upon the im- districts of that country. The rinderpest agination, and there will be hundreds of of cattle plague has appeared all at once men in every city who will look upon the at Hull, in Essex, in Yorkshire, as well as Black Hills country as a veritable Tom in Bow and Stepney, suburbs of Lon-Tiddler's ground where they can pick up gold and silver just by going there. But taken to isolate local outbreaks. To the immense probability is that the for- taken to isolate local outbreaks. To multitude will be bitterly disappointed. brought, as usual, from Germany. Saxo- amount of about \$150,090, which he had that what might seem to be a good day's earnings will turn out to be a pittance.

In ecost of fiving will be excessive, so eastern provinces of the German empire generally are, together with Russia and man who committed suicide on Monday, The stage companies, dealers in provis- Hungary, the great cattle-breeding and ions and supplies, and the gamblers, will at the same time the great rinderpestbe those who will most certainly make spreading districts. In England the last money. There is no doubt now, however, epidemic is estimated to have carried off that there is a great deal of metallic as much as 300,000 head of cattle, to the Methodists of St. Michael's Station, Talwealth in the Black Hills country, and value of some \$20,000,000. No wonder bot county, Md., the camp-meeting quesaccounts come of lucky discoveries as that the people are seriously alarmed at a tion was considered. It came before the well as of great disappointments. Upon new outbreak. Spring Castle and Rapid creeks miners are id.e and unhappy. Upon Battle creek, where there had been great expectations, numerous shafts have been sunk, often as deep as twenty-three feet in the rock, with meagre and unremunerative results. Just now there is great excitement over the Oak-Valley gulch, where miners are taking out dirt containing thirty cents to the pan or about two hundred dollars per day. But the gulch is dry for eight months of the year, and then the miners have to go miles for water. In the Iron-creek and Springcreek districts there is very rich silverbearing quartz and a New York company has already secured fourteen lodes and is arranging for the construction of two than any other prospector in the Hills. He does not mine himself, but locates claims and holds them for sale. But miners' luck is proverbially uncertain. A claim that at first yields largely may soon be exhausted; a district that may be in repute one week may be almost deserted a fortnight later. The large profits are reserved for the companies that can afford to make considerable investments of capital. For the poor man

We know that a large part of the property given by the will to Mr. Wm. H. Vanderbilt (it consisting of shares and securities in the companies in which the late commodore had a large interest) was transferred to him after the signing of the will, but many months before the death of the commodore and that accordingly the kind mentioned were made, and that and morally was a man of unquestioned a very considerable part of the property cannot be affected by the proceedings unless possibly a legal question may arise as to the validity of the the transfers between the date of the will and the time of the death of the commodore. It is such a point could be made, and if it but he shroudly his an extensive search; cannot be it is not seen how a contest over the will can affect property of which the commodore was not in legal possession at the time of his death. - Post Money.

forced to the conclusion that, unless we prosecuting the supposed kidnappers. are ready to see our institutions submerged by a tidal wave of paganism and

y kept on hand and for sale at A. J. P. Tab

-There was a singular wedding party at Salisbury recently. The happy couple, with the minister and friends, had assembled, when it was ascertained that there was no license. The groom confessed that he had not the money to obtain the needed document, and the amount was collected from those present. The court clerk had retired to bed, but he arose and issued the license. The ceremony was then performed. A dance was continued until daylight, when it was ascertained that the groom had no quarters to which to conduct the blushing bride and that the clothing he wore on the occasion was borrowed from a friend. They were provided with a temporary lodging place, and thus the honeymoon commenced.

-According to the bureau of statistics, the total number of cigars and right, title and interest at law and in equity of Joshua H. Penn to ing June 30, 1876, was 1,828,807,396. This is a decrease of nearly 93,000,000 cigars from the year previous. The **\$**18,470.

> -Europe wants for 1877 at least 5,772,-500 bales of cotton, and, upon the basis of 4,850,000 bales for America and liberal estimates elsewhere, it is calculated there will be a deficiency of 515,000 bales.
