Practices in the Courts of Baltimore City and To the Farmers of Howard County: Howard and adjoining Counties. Having long felt the need of some FOOD FOR CROPS more lasting and valuable than any of the popular fertilizers of the day, I have watched with interest and sought diligently to discover a manure which would combine in large proportions, regardless of cost, those elements which would restore perma-

nent fertility to the soil. Having been a farmer for many years my-self, with large opportunities for observation of the effect of many different fertilizers, I have never been altogether satisfied with any

The Popplein Silicated Super-Phosphate of Lime.

On an indifferent piece of land I have raised with this manure two corn crops and an oat crop, all very large, in three successive years; the last of these crops (corn) planted June 1st with large stalks and ears, rapidly maturing, which I will take great pleasure in showing to

my reighbors.

To insure the introduction of this most valuable manure into our county, I have consented to be made sole agent for its sale in the county, and offer it to my friends and the public at the unprecedented low price of \$38.00
