## Sarsaparilla

Is widely known as one of the most effectual remedies ever discov-

and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corruptions of the blood, such as the scrof-Heart Disease, Female Weakness, Debility, and Leucorrhæa, when they are manifestations of the

scrofulous poisons. It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.
