In our style of climate, with its sudden changes of temperature, -rain, wind and sunshine often intermingled in a single day,— it is no wonder that our children, friends and relatives are so frequently taken from us by neglected colds, half the deaths resulting directly from this cause. A bottle of Boschec's German Syrup kept about your home for im-mediate use will prevent serious sickness, a large doctor's bill, and perhaps death, by the use of three or four doses. For curing Consumption, Hemorrhages, Pneumonia, Severe Coughs, Croup or any disease of the Throat or Lungs, its success is simply wonderful, as your druggist will tell you. German Syrm, is now sold in every town and village on this continent. Sample bottles for trial, 10c.; regular size, 75%. Ü t. 13, '77-15.
