Our Citizens, looking forward to the sanitary condition of the city, are circulating a petition to construct a sewer under the street from Wosch's restaurant to the branch directly opposite. By the construction of this sewer it will be of immense benefit to those using water from the pump in that locality. We hope our city fathers will grant the petition and commence the work immediately. - Pro-

OBITUARY.

On Saturday, Feb. 23, 1878, of Tubercular Meningitis, ELLIS L., eldest son of J. R. and A. E. Musser, of the 3d district of Howard County, aged S years, 4 months and 21 days. The death of this interesting child seemed to east a gloom over the whole community. Of

to their last resting place on Sunday last, not one seemed unmoved. His presence will long be missed, not only in the home where he was much affection. Yet knowing as we do that "of such are the kingdom of Heaven," and that this fair flower has only been transplanted to that land where sin bath no power to blight, surely we must feel

"It is well with the child."
