tion. In short, it is a creation of art -whatever may be its origin, whether diprehensions of the faith of men. There Adam rehearsed in the Book of Genesis as anything but a literal representation such a way that the simplest mind can apprehend and make use of it. The Song of Solomon is a very exquisite essay in the art of action. If the Books of Esther and Ruth are historical, they are certainly nothing to us but stories with morals, and very strong and beautiful stories they are. The names of Ahasuerus and Mordecai, and Haman and Esther are nothing but names to the present reading world, which mean no more than those of Daniel Deronds and Ralph Nickleby and Clarisea Harlowe. Boaz and Ruth might be Abelard and Heloise, or any other lovers. The two stories are to us simply stories, having no significance particularly as history, and no use, save as in an exquisite form of art they convey to us the

Cruelty from Children.

In my judgment, nothing too severe

on an ordinary public school house, and very new in the business must be be if he imagines that he can find there sufficient booty to reward him for his trouble. One would thick that the last place a burglar would visit would be such a school house.
