An Astonishing Pact,

A large proportion of the American people are to-day dying from the effects of Dyspepsia or disordered liver. The result of these disnable people is most alarming, making life a burden instead of a pleasant existence of enjoyment and usefulness as it ought to be. There is no good reason for this, If you will only throw aside prejudice and skepticism, take the advice of Druggists and your friends, and try one bottle of Green's August Flower. Your speedy relief is certain. Millions of bottles of this medicine have been given away to try its virtues, with satisfactory results in every case. You can buy a sample bottle for 10 cents to try. Three doses will relieve the worst case. Positively sold by ali Druggists on the Western Continent.

Not only do we find ourselves stimulated to increased activity and interest in agricultural pursuits, but we approach nearer and nearer action as is needed for the proper development and protection of our all important pursuit, one upon which those least conscious of it are so immediately dependent. But in addition to these general advantages, there are practical benefits derived from the hints thrown out, and experiences given by successful and thoughful men.

A case in point is the following: It had been the prevailing idea in this section that the same flock of sheep should not remain upon a farm more than three years.
