exactly right. "Ridiculous!" I said to myself; "Sim- some curious pieces of fancy work, she cox, don't be a fool." At that moment the form of Mrs. the effect, she added a second, and then French appeared at the door, and all asked for some small ostrich feathers; doubts and fears vanished. She came in short before she quitted her dressingdirectly to my window - there was no one room, by arrangement of these feathers before her -- and held out the same pretty with artificial flowers and jewels, she as-

ungloved hand with a check. "This is Mr. Simcox, I believe," she clared they were the prettiest ornaments said, in a low, modest voice. "Your lit- he had ever beheld on a lady's head. The tle sister has become a great favorite with Queen continued improving on the plan me. You must thank your mother for daily, and the fashion spread, not only throughout the kingdom, but to all Euletting her come to see me."

I had not the power of speech, I was so rope. Not long after this Princess' marovercome. I blushed and stammered, and riage she was prohibited, on account of tried to count the money for the check. her health, from riding on horseback, an It was for six thousand dollars. I swear exercise of which she was extremely fond. to you that it never occurred to me that The order gave great pleasure to two corit was a very large sum for a lady to pulent duchesses of her train, who were draw. Had it been for six millions, I overheard congratulating themselves on think I should have paid it if I could the prospect of being thus released from have scraped up the money in the bank. the necessity of attending the Princess in She walked away with the cash, but her equestrian expedition. The Princess immediately set about contriving how after a moment came tripping back.

"I think you have given me a thousand | she could raise a laugh at the expense of dollars too much," she said, as she laid these lusty dames, and at the same time the roll down before me with an artless not transgress the commands of her physimplicity. It was a fact. There were sicians. She accordingly ordered one of seven thousand dollars, instead of six her household to procure her a number of of asses, properly accoutred, by a certain

"I am greatly obliged to you, madam - morning. The Duchesses were also order-I thank you much," I said. "For what?" she replied: "for restoring | were led out the Princess told them very

what does not belong to me?" She bowed sweetly and departed. I and bid them mount. The ladies endeav was in the seventh heaven. I could think of nothing else but the incident of the Princess of the physician's orders. The thousand dollars. Would Mrs. French Dauphiness, however, who was positive, tell her husband how careless I had been. declared that she could not possibly dis-

I did not believe that she would. People coming to present checks now ing gailiy into her saddle, desired that brought me to my senses. Time passed. they might foilow her. The Duchess Clancing at the clock, I perceived it was obeyed with as much grace as possible, half-past twelve. It occurred to me that Smeadon had not yet come in, but I thought little of it. In fact, he might have passed without my seeing him.

Before three, several checks of French, their embarrassment, made them ramble Pym & Co., came in to be certified, which I honored as usual. After three o'clock, my assistant called my attention to them. I looked at French, Pym & Co's account. They were largely overdrawn.

"Pshaw!" I said to myself; "that is nothing-those receivables have passed, the frivolous delights of a Princess fated The discount-clerk had gone home. In

fact, even then, I had no suspicions, and did not look at the entries. That evening Smeadon was not at dinner. He did not come back that night

He never came back at all. There was a hubbub next day, you may well believe, especially when it was discovered that Mrs. French had also vanished. But where? Three steamers had left the day previous for various foreign parts. The telegraph wires were em ployed, and it was confidently anticipated the parties would be arrested. Of the checks presented, the thirty-seven

thousand which I certified, proved to be a forgery, and the loss fell on the banking house, who received it for sale of gold. The twenty-seven thousand had been altered from seven thousand, while the six thousand had been an abstracted signature and filled in. A pretty tair di- Coughs, Colds, Influenza, Croup, Hoarsevision of losses.

I escaped with serious censure, considering it might have been much worsebut Mr. French never held up his head after that. His wife had robbed him very extensively; so had Smeadon. They must have carried off considerably more than a hundred thousand dollars.

Quite a year after that I received a letter with a foreign postmark. It was from Smeadon. Here it is. I will read it to

"My DEAR SIMCOX: I made up my mind not to write to you until my sister and I were comfortably settled. I am sure you have some curiosity to know how we got off so nicely. It was well planned, you must admit. Our passage in the Cunarder had been taken for a month: 'the Rev. Elisha Hubbard, and Miss Hubbard,' That Wednesday we were busy enough. At five minutes before twelve we stepped on board. I, disguised as a dignified clergyman of fifty; my sister, a sedate spinster of thirty-five, slightly lame, and suffering much from the System. For Scrofula in all its various asthma. We were both decently dressed, forms, Liver Complaint, Diseases of the Kidslightly lame, and suffering much from with a modest-trunk apiece. I officiated both Sundays, reading the services with great unction, and took pains to make the captain believe I was an old acquaintance When the steamer got in on came the detectives. We passed without the slightest suspicion. My sister was suffering dreadfully from asthma. We were not long quitting England, and we are now living were extradition treaties cannot reach us. Remember me to the good old lady, your mother. I hope little Laura Nerve and Bone Liniment is well. Give me credit for managing the affair without hurting you. The fact is, I always liked you and your folks. As to old French, he was an ass for marrying a woman forty years younger than him-SMEADON." Good-by.

At the bottom was written in a neat,

"Beware of pretty, innocent-looking young women who come in to draw money."

ELIXIR OF CALISAYA BARK. ... " What made you steal that waterproof cloak ?" demanded the Judge. The culprit whispered-"I was trying to lay up something for a rainy; day."

For General Debility or Weakness of the Muscular or Nervous System; General Prostration or Exhaustion; Enfeebled Digestive Organs, and Loss of Appetite consequent therefrom; Listleness and want of Energy from Nervous Debility; and for all cases of Feebleness Resulting from Prostrating Discase; Long Standing Cases of Fever and Ague and General Breaking Down of Health from Exposure or Neglect. ity and a tailor? The first covers a multitude of sins; the second a multitude of Exposure or Neglect.

-- "Would you like to have some candy, grandma?" Yes, my boy, where is it?" "Why, if you buy me ten cents worth, I shall give you half,"
