THERE IS NO USE "WAITING

For something to turn up," and we have at last decided to turn it up. The protracted warm spell has materially interfered with the CLOTHING BUSINESS of Baltimore. Hundreds of Thousands of Dollars worth, which seasonable weather would have sold, remains m Shelf and Counter. It is usual in most business houses to make reductions after the season of demand is over. We have decided to take time by the forelock and make those reductions NOW. Hence our entire stock has been marked Down, Down, DOWN to an after-holiday basis. We will positively stick at no reasonable sacrifice that will turn our great stock into speedy CASH.
