(fregory's knowledge?" "It is but a beginning, you know, dear

pitied her.

was abating; people were not accustomed to call her "child." But Barbara was so very little impression upon her.

replied, hesitating for a word, but not at all abashed, "which the Daily News published gratis; and, on the appointed evening, Martha Payne and I went to the room, lighted the lamps, and waited. Only three boys came. I explained the purpose of the undertaking, and asked them to induce their companions to attend. I was so anxious to get a start, returned from his travels. made their appearance; and, as I thought this a good number to begin with, I -I made them a speech."

"Little cries of "Oh! oh! oh!" from all the Threevits followed this audacious announcement. Mrs. Featheredge demanded her smelling-salts; Uncle Joseph looked belligerent; the judge roared.

Barbara became extremely grave. "I hope," she stammered, "that I did nothing amiss? Something had to be said, and there was no one else to say it."

"What!" exclaimed the judge,"do you mean to tell me that you entered upon this work without the aid of your family?" "Yes, she did!" cried Judith. "Barbara can never say that she had not warning enough; but 'a wilful woman must have her way."

"Dear judge," said Mrs. Featheredge, who would talk, "did you ever hear of any thing so preposterous?"

"Never!" said the judge, severely. "Upon my veracity, madam, I never did. polonaise as Miss Drusilla's, and such a hat as Miss Wilhelmina's, for the purpose a set of lawless youths, is incredible; and should countenance."

"There, Barbara!" we cried, exultingly. lude to a smile or a tear, we could not tell | toward the building. which, struggled around her lips.

"And what sort of intellectual food do eyes which made us all quail except Bar- cle Joseph Threevit! bara. But she was always fearless.

commending her course. "You know that what they need most is amusement; but I shall gradually introduce travels, bioan 'unknown friend' sent me a check for fifty dollars-was it you, Judge Gregory?"

"have you lost all sense of propriety?" with his forefinger. "When I give to this to-night." mad concern of yours, Barbara, I'll do it

"I hope so," said Barbara, laughing. "And I'll give more than fifty dollars." "Thank you, sir."

"I dare say, now, that you are meditat ing some absurdity for Christmas?" ble," said Barbara.

"How would a magic lantern exhibition please you?"

"Very well, I think; but-but-the truth is, my poor little venture is in debt, edge. and I am afraid that I cannot afford it."

judge to our amazement. "I'll borrow a followed inquiries that would not wait magic-lantern and exhibit it myself. I for replies; and were overwhelmed with should wish no better fun."

"Oh thank you! thank you!" cried Barbarat with enthusiasm.

Judge Gregory turned to us and made

making it ridiculous.

What Judge Gregory said or did after hibition. We Threevits had not contem- hibited was the illuminated motto--plated attending. It was well enough, we argued, that Barbara should reap the which every one declared was extremebitter fruits of her wrong-headedness; ly appropriate to Barbara. According but we did not deserve to be made con- to popular sentiment, she had acted a spicuous by her defeat. It was our pur- poem. Well! that is different from writpose, therefore, to remain at home, but ing one, but people seemed to think it public opinion was too strong for us, and quite as grand. we entered the room sacred to "Barbara's

continued to hand chairs over the heads to grow into a great institution. of people until we feared they would demolish every coiffure in the house, the Elmers is ended, and Louis Elmer How could Barbara endure to throw her. has no occasion now to sign himself "an self among such creatures? And yet, they did not seem so yet rough and they did not seem so very rough and

Barbara was on the stage in the same old black alpacea, but happily for our to the community. We can say the same family pride, a magic-lantern requires of Dr. Bull's Baby Syrup, it is the best family pride, a magic-lantern requires darkness; and, when the lamps were redarkness; and, when the lamps were redarkness; and, when the lamps were redarkness and bruches at hood has to encounter. Price only 25 CURRY COMBS, CARDS and Bruches at lighted after the exhibition was over, cents.

circumstances occurred that made us forget her plain toilet completely. Besides Barbara, there were on the stage Judge Gregory and another gentleman, whose face was strangely familiar.

The exhibition was a complete success, Ice Cream Saloon, sir," said Barbara, with so beseeching a judging from the the laughter and aplook in her eyes that, for a moment, we plause with which the room resounded; but it did seem to us that Judge Gregory "Well," said the judge, still laughing, almost made a buffoon of himself, and his "how did you assemble the rabble, child?" allusions, strange to say, all appeared to It was very painful to us to perceive lavor Barbara. We therefore, were not that Judge Gregorp's respect for Barbara | altogether unprepared for what followed when the lamps were relighted.

infatuated that the novel address made aside the character of showman, delivered a short address, in which he compli- ICE COLD CREAM SODA WATER. "I wrote a -a -an advertisement," she | mented Barbara so beautifully that we almost felt reconciled to the course she had taken; and we were greatly relieved to find that he did not intend to be severe upon the silly child.

We could not see, though, how it would end. When Judge Gregory sat down, the gentleman on the stage with him at all times. Pienics and Parties will receive rose. It was Louis Elmer! He had just

that, during the first week, I opened the room every evening. At last, eleven boys disapprove whatever as Elmer said or Rock Dairy, I am enabled to sell pure sweet Self-respect compelled us Threevits to did; and under the circumstances, we did not see why Mr. Louis Elmer should presume to say any thing fat all. If the feud between his family and the Three everything first-class at reasonable prices to vits was not suffice at to restrain him from the public. making a display of himself where we were concerned, his father's recent death should have kept him quiet in public.

The audience, however, were of a different opinion; and those noisy iron-mill boys were outrageous in their applause every time any reference was made to popular resort, ELDON HALL,

Mr. Elmer, we thought, expressed himself with affected modesty. He declared that he felt it a reproach to his manhood | RESTAURANT & DINING ROOMS. that a young girl should have inaugurated a work which he ought to have considered his peculiar and paramount duty: I district & Cierra but that he would hereafter esteem it an honor, as well as a pleasure, to follow in her path, and to promote with his utmost ability her unselfish efforts. In short, he said enough to convince us that That a girl of twenty-two should delib- it was he who had won over Judge erately forego the advantages of such a Gregory, and we resolved never, never to forgive him!

Before we could recover from our inof cultivating the literary propensities of | dignation, Judge Gregory, who was undoubtedly growing garrulous, jumped up that she should venture upon such a pur- to say something about organizing an insuit unaided is a thing no friend of hers stitution, for which purpose he boldly advocated a public subscription.

Louis Elmer immediately offered to sur-Barbara, to do her justice, was not render his claim to the Grnge corner-lot. utterly graceless; she seemed to feel the if the other claimants would do the same, judge's remarks keenly. She hung her in order to afford a building-site for a head, and a deep blush suffused her face, more commodious room; adding, besides, while a curious twitching, like the pre- that he would give three hundred dollars

He might have given more, but we had not a moment in which to signify our you supply for five cents a week ?" asked opinion to each other, for, before he Agent for the Sale of and Bottler of Berguer the judge, with that severe gleam in his could sit down, who should rise but Un-

We thought at first, that he was going "Principally stories," replied she, as to make a withering rejoinder to Louis cheerfully as though the judge had been | Elmer; but he simply said thatthe, as representative of the Threevit interest, would be happy to follow Mr. Elmer's example in surrendering all claim to the graphy, and natural history. Yesterday Grange corner-lot, provided that he might give three hundred dollars toward the building. "When this little enter-"Barbara!" screamed Mrs. Feathcredge, prise was first contemplated," said he, in conclusion, "I called it 'Barbara's folly." "Not I," said the judge, emphasizing My great-nicce can afford to forgive me

We had reason to feel proud of Uncle Joseph, for his speech, though it took our breath away, elicited a perfect storm of applause.

Various sums were then subscribed by different gentleman, and finally one of the iron-mill workmen rose and said been thoroughly remodeled and imthe iron-mill workmen rose and said "I do not know what would be suita- that the boys desired to contridute their mite; it was not much, but among them The Bar is supplied with the best Liall they could spare five dollars, which they would give with hearty good-will, and wishing long life to Miss Feather-

Then ensued a scene of confusion that "It shall not cost you a cent," said the set all propriety at defiance. Inquiries congratulations that we knew not how to answer. In the midst of the commotion a call was made for Miss Featheredge.

After a little delay, they drew our aba comical face, which quieted our rising surd Barbara from a corner where she had sat and cried until her unfortunate We thought it strange that Barbara, nose was a disgrace to the family. But usually so quick, should misinterpret the nobody seemed to mind it except us judge; but it had been said of him that Threevits. The women kissed her and he was sometimes "too deep for his hear- called her "a dear ;" the men shook ers," and, in this instance, it did seem so. | bands with her and called her "a brick," It was patent to us that he meant to put and indeed, for once, we did not know an end to "Barbara's folly" by simply what would be the proper thing for us to

We Threevits, however, were never obhe left us, we never learned. He was a stinate. We always accepted generallyman of extensive influence, and the good | teceived opinions, especially where Unpeople of our town were always ready to cle Joseph led the way. Our preposesfollow where he led. Mrs. Llewellyn Jones actually postponed her tableau-par- not, after all, absolutely vain. The last carefully picked out.
