An Undentable Truth, You descrive to suffer, and if you lead a miserable, unsatisfactory life in this beautiful world, it is entirely your own fault and there is only one excuse for you,—your unreason-ble projudice and skepticism, which has killed thousands. Personal knowledge and common sense reasoning will soon show you that Green's August Flower will cure you of Liver Complaint, or Dyspepsia, with all its misera-ble effects, such as sick headache, palpitation of the heart, sour stomach, habitual costiveness, dizziness of the head, nervous prostration, low spirits, &c. Its sales now reach every town on the Western Continent and not a Druggist but will tell you of its wonderful cures. You can buy a Sample Bottle for 10 cents. Three doses will relieve you. THORT HAND REPORT OF THE CELEBRATED SPEECH IN THE ROMAN SENATE.

Mr. Speaker: I do not rise to waste the night in words; Let that plebeian on my right (Cicero) Blow his bazoo; 'tis not my trade, As I was brought up a blacksmith. But here I stand for right, for Roman right, Though none, it seems, dare stand To take a tilt with me Ay, cluster there! cling to your master

Or lays the bloody scourge upon my back, Would perhaps like to try it on out in the back

After the Senate adjourns! Banished, indeed! I thank you for it, As I intended to move out of town anyhow. I held some slack allegiance till this hour, But now my sword's my own; and I Would like to see the man that will Attempt to collect my city taxes for this year! Smile on, you bald-headed snipes of the valley! I scorn to count what feelings, withered hopes, Strong provocations, bitter, burning wrongs, I have within my heart's hot cell shut up, To leave you in your lazy dignities. But here I stand and scoff you! here I fling Hatred and full defiance in your face! Your Consul's merciful-very; but if he Dares to touch a hair of Catiline, I will Knock him galley west and crooked.
