An Important Case.

road to be Sold-The Baltimore Court

The Circuit Court of Anne Arundel county delivered its opinion in the case of the Annapolis and Elk Ridge Railroad vs. Wm. Harrison and F. W. Brune, trustees, on Saturday last, as announced in the telegraphic columns of the Sunday

The case, involving substantially the the Turkish paper currency has been same points as were considered at Annapolis, was argued before and decided by Judge Gilmor in this city last June, the opinion of the Court being published by us in full at the time, and the Anne Canada state that there is abundance of Arundel County Court takes virtually the game in that section, and the followers same views upon them as were given by Judge Gilmor in his decision.

After the case had been brought to a conclusion before the Circuit Court here spring, but having learned of the the dist the complainants renewed their applicatribution of our troops, and that the tion to stop the sale of the railroad in British authorities would not let him the city of Baltimore by petition in the

The death of Mr. Brune lent a peculiar interest to the case upon the occasion of its trial in the latter court.

The result it seems of the controversy, as announced in the opinion of Judges Hammond and Hayden, is similar in reto that reached by Judge Gilmor in the opinion which he delived in the Circuit Court of Baltimore city on the 57th day of June last.

The vital points before Judge Gilmor in the view taken by him were:

Messrs, F. W. Brune and W. G. Harrison claimed the power to sell was a mortgage 2 .- That the true construction of Arti-

to some point within the limits of Anne Arundel county, and that the trustees could not sell in Baltimore, even though the deed stipulated for such a right (14th sec. of Artible 64.) 3.-But that at the then stage of the case full jurisdiction existed in the cir-

cuit court of Anne Arundel county by reason of the filling of the trustee's bond in that court, as well as by force of the that the Austrians have been defeated near other sections of article 64, under the just interpretation of this law.

Judge Gilmor, in the course of his opinion us to the validity of the bonds geoured by the mortgage as is held by the decision just made. There is, therefore, thus apparently entire unanimity between the two courts that the road must be for sale in case of forfeiture at distant localities.

THE STEPPING STONE TO MEASURE. lar, and disease is eventually instituted. To prevent this unhappy state of things, quire unwonted supplies of vigor, and the grow strong and calm, the despondency begotten of chronic indigestion and an Ex-Gov. Tilden positively denies the uncertain state of health disappears, and

> IN THE WHOLE HISTORY OF MEDICINE Zo preparation has ever performed such marvellous cures, or maintained so wide a reputation, as AYER'S CHERRY PECTO-RAL, which is recognized as the world's remedy for all diseases of the throat and lungs. Its long-continued series of wonderful cures in all climates has made it universally known as a safe and reliable agent to employ. Against ordinary colds which are the forerunners of more serious disorders, it acts speedily and surely, always relieving suffering, and often saving life. The protection it affords, by its timely use in the throat and lung disorders of children, makes it an invaluable remedy to be kept always on hand in every home. No person can afford to be without it, and those who have once used it never will. From their knowledge of its composition and effects, Physicians use the CHERRY PECTORAL extensively in their practice, and Clergyman recommend it. It is absolutely certain in its remedial effects, and will always cure where cures are possible. For sale by all dealers. - Adr.

-"Are you the man who killed so many people in South Carolina?" said pleasantly a "gentleman" to whom Senator otherwise by law be excluded from all benefit Butler was recently introduced in Minnesota. "I presume you have killed more men than I have," the Senator answered lightly, and he was puzzled to know why everybody roared and his interlocutor retired in confusion, till he found out that
