### GENERAL SUMMARY. MONDAY.

In the United States Circuit Court at Richmond, Va., Saturday, in the matter of the Atlantic, Mississippi and Ohio railroad, on motion for a decree of forcelos ure of mortgage and sale of the road, Judge Bond ordered the reference of the master's report back to him for a new report of the assets of the company, with liabilities and the liens upon the property in just order of priority, to be returned in thirty days. The case upon the original motion will come up for final hearing January 15.

J. P McDonnell, editor of the Labor Standard, at Paterson, N. J., who was convicted of libel in calling the non striking operatives of the Adams mills "scabs," has been sentenced to pay a fine of \$500. It was at once paid by the workingmen and women of the city, and Saturday night they drew Mr. McDonnell around the streets in an open barouche amid great

the Greco Turkish frontier question.

The native princes of India are enthusiastically loyal and warlike.

This is a term invented by the Green-Charles F. Colburn, employed for ten backers. It means money made by the the doctrine advocated by the Greenback financiers of this city. Said one of the most respectable or their operators: "Whatever the government calls money, is money. If the government takes a piece of silver or gold and prints upon it, 'this is one dollars,' it is one dollar. If it prints upon a piece of pa-Michael Arnold, at Salem, Mass., were per or cloth or leather," said the orator, 'this is ten thousand dollars,' it is ten thousand doliars." Waxing eloquent with his subject, he exclaimed: "Yea if the government takes a potato and prints upon it, this is ten thous and dollars and the capitalists should be compelled to receive it in discharge of a debt for ten thousand dollars!" And these docthe echo by the Greenbackers.

These men forget or do not seem to know that there is a dollar's value in each and every silver and gold dollar. independent of the government stamp upon it. Hammer a gold or silver do'lar until the government stamp is efficed, and there is if its honest money, the valve of a dollar still in the misshapen mass of metal. Put a silver or gold dollar in to the crucible and melt it down and the value is still there. But the "fint m ney" of the Greenbackers would have no value, in itself, and as the Greenbackers do not propose that it shall ever be redeemable by the government in metal, it would soon have as little value as the paper up.

on which it is printed. If the Greenbackers are correct, their discovery is of great value to humanity, Sothern will have to retire from the and will be a relief in many respects, es pecially to the impecunious portious of the community. "Whatever the government declares is money, is money, and must be taken for money." That looks plausible, certainly. Now, let the Green- FARM FOR SALE OR RENT. backers go one step further and say whatever the government says is milk, or whisky; whatever the government says | Laurel; conveniet to Churches and Schools. ## Ammonia.

A very useful article. We quote the following from competent authority: Put a teaspoonful of a ammonia in quart of warm soapsude, dip a cloth into it and go over your soiled pantatoons, and see how rapidly the dirt will disappear; no scrubbing is necessary. To a pint of hot soapsuds add a terspoonful of the spirits dip in your fork or spoon (or whatover you wish to clean), rub with a soft brush, and then finish with chamois skin. For washing windows and mirrors it has no equal. It will remove grease spo s from every fabric without injuring the garment. Pot on the aminouis nearly garment. Pot on the ammonia nearly clear; lay on blotting paper, and set a hot iron on it for a moment. Also a few drops in water will cleanse and whiten laces and mushin beautifully. A few cach of three successive weeks before the said 7th day of November next. drops in a bowl of water if the skin be 7th day of November next. cily, will remove all uncleauliness and disagreeable odors. Added to a hot bath, it entrirely absorbs all noxious smell, and nothing is better to remove dandruff from the hair. For cleaning nail and hair brushes it is equally good. For heartburn and dyspepsia, the aromatic spirits of ammonia is prepared; ten drops taken in a wine-glass of water will give relief. For house plants, five or six drops to every pint of water, once a week, will make them flourish. It is also good to clean plant jan. So be sure and keep a bottle of it in the house, and have a glass
