The above are the most concentrated, universal and durable FERTILIZERS ever offered to the Farmer—combining all the stimulating qualities of Peruvian Guano and the ever-durable fertilizing properties of Bones, in tine, dry powder prepared expres-ly for drilling, and it is the opinion of many close calculating farmers, after over twenty years' exterience in testing the "EXCELSIOR," manufactured by me, side by side with other popular Fertilizers, that an application of 100 pounds is equal to 201 pounds of any other Fertilizer or Guano ever offered for saic, therefore fully 50 per cent cheaper. By strictly adhering to my Original Formulas, using only the most concentrated materials, and superintending in person their manufacture,—as for the past twenty years—

INTEORM OUALITY IS GUADANTEED. UNIFORM QUALITY IS GUARANTEED.
