Dissolution of Co-Partnership.

BALTIMORE, March 19th, 1878.

The Co-Partnership heretofore existing between the undersigned under the name of J. J. TURNER & CO., is this day dissolved by mutual consent. Either will sign in liquidation.

J. J. TURNER,
J. Q. A. HOLLOWAY.

TO TOBACCO PLANTERS AND CORN GROWERS.

The undersigned PIONEER in the manufacture of FERTILIZERS in this city, and engaged, since 1858, first as a member of the firm of J. J. & F. TURNER, by whom the formulas and processes of manufacture of

"EXCELSIOR" & "AMMONIATED PHOSPHATE"

Were *originated*, and since 1864 a member of the late firm of J. J. TURNER & CO., relying upon his experience and personal reputation, hitherto acquired in the uniform excellence of these FERTILIZERS as manufactured by him, offers them *in his own name* to the agricultural public.

Having secured the *works of the old firm*, **111 McElderry's Wharf**, with the complete machinery, *specially constructed for their uniform manipulation*, he will continue the manufacture of

"EXCELSIOR" AND AMMONIATED PHOSPHATE

On his own account, with his office adjoining the works, where he will be pleased to see his friends and patrons, assuring them that the FERTILIRERS manufactured BY HIM shall be of the *same uniform and high standard quality* as sold by the *old firms* since their introduction.

J. Q. A. HOLLOWAY,

Originator and Manufacturer of

The above are the most concentrated, universal and durable FERTILIZERS ever offered to the Farmer—combining all the stimulating qualities of Peruvian Guano and the ever-durable fertilizing properties of Bones, in fine, dry powder prepared expressly for drilling, and it is the opinion of many close-calculating farmers, after over twenty years' experience in testing the "EXCELSIOR," manufactured by me, side by side with other popular Fertilizers, that an application of 100 pounds is equal to 200 pounds of any other Fertilizer or Guano ever offered for sale, therefore fully 50 per cent. cheaper. By strictly adherring to my Original Formulas, using only the most concentrated materials, and *superintending in person their manufacture,—as for the past twenty years—*

UNIFORM QUALITY IS GUARANTEED.

☞ Farmers to secure the GENUINE EXCELSIOR AND PHOSPHATE prepared according to *Original Formulas established in* 1858, should see that every Bag is branded as above, with my *analysis* and *my name in Red Letters.*

CELERY "Dr. C. W. BENSON, a practicing physician, at 106 N. Eutaw St., Baltimore, Md. Chronic Ailments.

The proper treatment of chronic cases of disease requires a thorough knowledge of physiology and pathology. Such knowledge is not attained by study alone but by years of experience. We have in this city a physician who has, during the last four or five years made many remarkable cures, and those treated say that for all forms of chronic disease no doctor in Baltimore is more competent and uniformly successful than Dr. UNDERWOOD, of No. 166 West Fayette street. He cures cancers without the use of the knife, and removes tumors by electriolysis. His electricol instruments are of the latest improvement, in fact one he has had manufactured with some improvements according to his own device. The doctor is a physician and a gentleman, and any one calling on him can depend on his judgment and skill.—*From Saturday Standard.*
