Mr. J. C. Durborow, Editimore, Md.--Bear Sir-"The "Superior" Grain Drill bought of you last season gave me entire satisfaction. It sows the grain and distributes the Fertilizer with great regularity. I have used the Wagoner, Kelier, Bickford, Huffman and other Drills, and consider the "Superior" far ahead of any. It is light draft, easy to manage, and, in fact, is the very Drill every farmer should have because of its great ease of adjustment.

We have in this city a physician who has, during the last four or live years made many remarkable cures, and those trea-ted say that for all forms of chronic disease no doctor in Baltimore is more competent and uniformly successful than Dr. UNDERWOOD, of No. 166 West Fayette street.
