The candi-shall often turn our eyes toward him as he stands upon his rocky pedestal and say, we miss doseph, we miss thee, and its a comfort for us to know that he is standing upon his principle, we don't think he has anything else to stand on. We hope after he has stood there until the go as you please party has melted away the old Democratic Ship will come along and

take him off the rock. [Applause].

Mr. Gary, the speaker said, was an amiable gentleman, but was one of those political comets that make their appearance every seven years, and was distinguished from other bodies from the fact of its making things hot. Some seven years ago he ran for Congress against Judge Merrick, and was beaten by the small majority Among the names of the regular contributives made on the occasion by Comptroller of fourteen hundred votes. But he don't mind that et all; he goes upon the principle that

It's a pleasure sure to see one's name in print, A Book's a Book although there's nothing in't

The first time he ran it was upon a Union the household of every family in the Dio-contradicted these statements. He read form with the transparencies covered with chop-sticks and hieroglyphics from the land of the sun. And there is Mr. Booper, the candi-THURSDAY EVENING was rather a raw several States, showing the comparative the sun. And there is Mr. Hooper, the candidate for Mayor of Baitimore city, he is a nice Mr. Gary's promise "to make it hot for 1852 to 1855, when under Democratic Democrats," we thought we might safely risk the night air in order to give his speech at the Republican Mats Meeting a low rate of taxation in Manyagad. The weak points. He is troubled with a species of optical delusion, commonly called figure blind. He is like Conkling when he struck a straight coat tail from Canonchet, and looked down upon Sprague's shot gan and thought it was as big as a stove pipe, and when Mr. Hooper looks at the figures from the City Hall two millions are magnified by his dilated pupils into and disagreeable one, but remembering low rate of taxation in Maryland. From man also; but he, like the rest of us, has his Mr. Garv's promise "to make it hat for 1852 to 1855, when under Democratic weak points. He is troubled with a species of lions are magnified by his dilated pupils into toeles millions. But take them both together, Gary and Hooper, with their platforms thrown we had read in the organs of his party, 29 cents; in 1868 and 1869 they were 19 a political Hermaphrodite, stuffed and padded; were not altogether correct reports. We cents: in 1872 and 1873 they were 17 there is too much Cotton about the darned thing anyhow. [Great applause].

There was one other man, Mr. Colton said, ing him, that in his campaign specches 18% cents on the \$100, it being the he wanted to pay his respects to for a few min-Mr. Gary waz really making the reckless third lowest State in the Union in its was Mr. Urner, a member of Congress from the Sieth district. He created who had made a speech at Gary's meeting that assertions against the fair name and credit rate of taxation. While the rate in this among other things that there was the office of Insurance Commissioner now filled by George as making. We know, and feel sure that States are as follows: Louisiana \$4.45, ing a salary of \$2,500. Now all I have to say ing a salary of \$2,500. Now all I have to say is, that if he doesn't urner better name for Union has better credit than our own, that Delaware and Georgia 50 cents each, Ken-in a few States are the taxes lower, that tucky, Maine and Missouri 40 cents each, lin river on fire. Why, my fellow-citizens, the only son-in-law George Colton ever had has it is so; and when he makes his first speech in Congress next winter you will hear him exclaim that Stonewall Jackson is drawing pay from the government as a regular officer suppose he thinks we are following the Radical

rule—that a fellow must vote, and draw his salary after he has been dead ten years.

Mr. Colton drew a graphic picture of the Republican party when in power, showing the terrible outr. ges and murders committed by the Blood Tubs, Rip Raps, Black-Snakes, etc., and as he remembered well all, the bloody scenes that transpired at that time, his account form"- without pointing out a thing in toward the meane Asylum, 12 cents for a was very interesting. At that time he lived shameful party had control, the ward had but about 1,200 legal voters and the Know-noth-

does from every hustings that he mounts. care how much they paid with the work is the party you have to light now. them to the bitter end. You must not falter, but fight on and fight ever. Fight! if Gary makes it hot enough to scorch the hair off your head. Fight them until the thing freezes over, and then fight them on the ice. I have heard that the Radicals in every ward intended to be at the polls an hour before they open and form Warfield, A. P. Gorman, John R. Brown the negroes into line; and we must do the same thing; let them not steal a march on us, but et every man be at the polls carly in the morning, and remain the entire day; and if we do fall of sound truths concerning the imour duty we shall give General Latrobe at least few days ago, we are now only upon the skirdecide the destinies of the people of this great country, and, if we are true to ourselves and true to our principles, what a glorious time it will be when the battle shall have been fought old third district is a most healthy one. and the victory gained, when from every part the shouts of the redeemed people shall come

> THE WOODSTOCK MEETING .- Notwith. standing the rain storm, it was a large number of enthusiastic Democrats which gathered at Woodstock on Tuesday evening last to attend the mass meeting held at that place. Owing to the rain, the meeting was organized in the new ball was made President and Mr. Frank Brown, Secretary. The speakers who addressed the meeting were Messrs. Joseph Warfield, A. P. Gorman, John R. Brown and Gen. James R. Herbert, each one of whom made an interesting, stirring speech, portant issues of the day and was listened to with marked attention and interest by their large and intelligent audience. Mesers. Gorman and Watkins the candidates for the State Senate and Clerk of the Circuit Court respectively, were both greeted with an enthusiastic reception. These meetings indicate that the old third district is a most healthy one. The party there is evidently united, all of its members working well together and confident of and determined on a glorious victory in November. Radicalism can never gain a foothold in our county, so long as the people remain so determined to resist its inroads as they now are.

Long Corner Meeting. - On Wednescounty, known as Long Corner, turned out the Baltimore American mistook for encusted. The meeting was presided over James A. Gary, Geo. W. King and Sewas elected Secretary. The speakers were of the old cry Ring! Ring!! Ring!!! Hon. A. P. Gorman, Louis J. Warkins and Edwin Warfield. We are glad to learn that Long Corner is solid for the whole Henry Johnson a well-known colored

POPLAR SPRINGS MEETING .- On Thursenthusiastic and determined assemblage of the honest and intelligent citizen of the Fourth district met at Poplar Springs for the purpose of hearing an exposition of Democratic principles by the candidates and other speakers. The meeting was organized by calling to the chair Mr. Adam C. Warner, and the appointment of speaker introduced was Mr. Dobbin, candidate for the House of Delegates, who gave a very interesting review of the Democratic party and a severe arraignment section an abundant offering of the lucious Mr. L. J. Watkins, who announced himof Republicanism. He was followed by self in a terse and eloquent speech. Gov. Jao. Lee Carroll was next received with the speakers for their kindness in meeting cible speech, heartily endorsing the whole ticket as one of the best ever presented for the suffrage of the people of our county and State. The next speaker was the Hon. A. P. Gorman, who was received here as he has been all ever the county, with Sent to the House of Correc. enthusiastic cheers; and in a speech of tion.—William Clifford, who is a member of the fraternity of tramps, was twice banished beyond the city law to be consisted and convinced his hearers. Mr. Arthur Hardy, Secretary. The first pression; a weak exhausted feeling, no energy or courage; the result of mental over-work, Indeseresions or excesses, or some drain upon the system, is always cured by Hemphere's Homeopathic Specific No. 28. It tones up and invigorates the system, dispels the gloom and despondency, imparts strength and energy, stops the drain and rejuvenates the engy, stops the drain and rejuvenates the entire man. Been used twenty years with perfect encess by thousands. Soid by dealers. Price, \$1.00 per single vial, or \$5.00 per package of five vials and \$2.00 vial of powders. Sent by mill on receipt of price. Address Humphrey's Hombopathic Maddeins Con-PANY, 100 Fulton Street, N. Y.

quested to make immediate payment.
Given under my hand this 21st day of October, in the year of our Lord one thousand eight nundred and seventy-nine REUBEN M. DORSEY.

N. B .- The Administrator being anxious to close the estate at the very earliest time, will take it as a favor if all who have claims against Ridgely,on the charge of forging the name | Said deceased will present them for payment

Hali's Vegetable Sicilian Hair Renewer Is a scientific combination of some of the most powerful restorative agents in the vegotable kingdom. It restores gray hair to its the note, which he did. Marshall paid original color. It makes the scalp white and \$10 on the note, and as Shargo owed him clean. It cares dandruff and humors, and fall-\$4 he asked him to pay the balance of it, ing-out of the hair. It furnishes the nutritive offered to the public, as its effects remain a long time, making only an occasional application necessary. It is recommended and used dorsed by the State Assayer of Massachusetts. The popularity of Hall's Hair Renewer has increased with the test of many years, both in this country and in foreign lands, and it is now known and used in all the civilized countries of the world.
