INFORMATION is wanted of the whereabouts of the Republican party of Howard County. Apply at the Progress office.

The Greenback party received five votes in our County on Tuesday. With a little effort the Greenbackers might have given our Republican friends a closer shave for the second place.

IT was not to you personally Mr. Gary, that the people of Maryland had so great an objection; but if we may be allowed to borrow your own language, it was "to the agencies which brought you forward

his own political suicide.

The real business men and the educated men of the land must not allow themselves to fall asleep over public affairs to-morrow. They must be up and doing persistently to put and keep Congress in the right path. No result of the elections to-day can change or destroy the fact that the issues which the stalwarts have raised against the South since March of this year have been false and feigned issues. It was not the States which engaged in rebellion that brought about matter who may be chosen Governor of New York to-day, it will soon be apparent that the States which seceded have no thought or purpose but to remain hereafter and forever in the Union, represented in Congress and obedient to whatever the Supreme Court may say that the Constitution demands of them. The ballot will not be unconstitutionally and illegally taken away from any lawful voter, white or black, by the Democratic party North or South. On the other hand the South must and shall not be Africanized and delivered over to the horrors which have desolated and ruined the once flourishing island of Hayti. Library of Universal Knowledge,and well bound pages contain a wealth of

The Sun will deal with the events of the knowledge, covered by the alphabet between the world say, was never before procurable for the trilling sum of 50 cents. The 20 vols, complete, containing over 49,000 distinct articles, and nearly as many more incidentally mentioned subjects, with complete index, are sufficient of themselves to afford a liberal clues.

A pure, sweet cider is only obtainable from clean, sound fruit, and the fruit should, therefore, be carefully examined and wiped before grinding.

The Sun will deal with the events of the year 18:0 in its own fashion, now pretty well understood by everybody. From January I, until December 31 it will be conducted as a newspaper, written in the English language, and prin ed for the people.

As a newspaper, The Sun believes in getting all the news of the world promptly, and presenting it in the next intelligible shape—the shape that will enable its readers to keep well abrers to fit age with the least tion to any one of limits. tion to any one of limited resources. As a matter of course, they are finding their way -that is, the law controlling its daily into the hands of hundreds of thousands of thousands of those whose love of knowledge has exceeded much larger than that of any other American newspaper, and enjoys an income which it is much juice as can be expressed in one day, or sometimes less, the charged for Cyclopedias heretofore published message, and enjoys an income which it is at all times prepared to spend liberally for the benefit of its readers. People of all contributions of the benefit of its readers. pomace will rise to the top, and in a short time grow very thick. When little white amount of matter given. Volume three will bubbles break through it draw of the berealy airly in Navambar and the ready airly in Navambar and the ready. the "extra session" and indulged in the bubbles break through it draw off the be ready early in November, and the remainthey keep on buying and reading it. "tall talk" on which the stalwarts have liquid through a very small spigot placed ing volumes will appear about two each month bubbles break through it draw off the liquid through a very small spigot placed about three inches from the bottom, so that the lees may be left behind. The cider must be drawn off into very clean, sweet casks, preferably fresh liquor casks, and closely watched. The moment the white bubbles before mentioned are perceived rising at the bunghole, rack it.

be ready early in November, and the remaining they keep on buying and reading it.

In its comments on finen and affairs, The Sun believes that the only guide of policy should be common sense, inspired by genuine wanted, to any part of the United States, for the price, in cloth, 50 cents, half morocco, 75 cents, or on extra fine heavy paper, wide margins, bound in half Russia, gilt top, for \$1.00.

LONG CORNER, Nov. 6th, 1879.

Messas, Epirons: The prediction that the fourth would be the coldest day of the season, in coas quence of the exhaustion of Mr. Gary's caloric, was literally verified, At the opening of the polls on the moraing of the 4th inst, the radical temperature began to fall, and at 6 o'clock P. M. the Cotton-Mulatto-d'Afrique party was rigidly refrigerated, labled "Cotton crystalized hybrid fossil," and laid upon the sheif there to remain until the Republican fraternity shall again essay to "make it hot" by rolling forth another barrel of Cotton money. Yes, it was a solid freeze: and the last wail of the black mummy was suggestive of the flush times in which it had reveled while "the barrel" held out:

When we lived we lived in clover,

But when we freeze, we freeze all over! The county had been scoured, and every noble specimen of the "truly loit"-the black the white, grizzled and the begrimed, the hait, the maimed-all that

Thou shouldst be well pleased with the result, O Prince of Cotton Spinners! and thou, O Boss Detective! How could ye be happy in office, with the knowledge of the fact staring you in the face, that "we have been elevated to office by the suffrages of citizens, two thirds of whom pay no taxes!" Requiescat in Pace. The 10sult has shown that the will of the intelligent people of the county and State constitutes the "ring" about which we have beard so much.

May the "ring" never grow less! and at the next presidential contest the glorious ring will wring off the head of a fraudulent national administration and ring forth the glad tidings of States rights
