ODDS AND ENDS.

A glass of hot water for sleeplessness. It is best to save all eggshells to settle Apes never sleep flat on their backs, as

Love never complains that the price it has to pay is too much. A discharging or "running" ear should always have treatment at once. It is the bather who comes up with

trab on his toe who is hopping wild. About \$3,000,000 are appropriated each year for the schools in New York city. A Sacramento toboggan slide, just in There are many ways of proper punishment without imbittering a whole life. Look out that you do not discuss politics, religion or love affairs in a public convey-

Summer engagements don't count; but the boating and driving and other access sories do. When a man notices an improvement in himself he always feels that the world is

growing better.

of 100 to 250 per cent, on the amount of money invested. Even the advocates of the flannel shirt must admit that, after it is washed, it is a MERIT very small affair. If a well could be dug to the depth of

forty-six miles, the air at the bottom would e as dense as quicksilver. The most beautifully lighted street in Paris, and probably in the world, is the Rue de la Paix. It is lighted with gas. A cargo of fresh fruit, including 149 crates of ripe strawberries, has arrived in London from Florida in good condition. The best way to find out how to be happy is to make happiness possible for some ody else and observe how he goes about it Do not exchange checks with anybody

This is soon discovered by your bank; it does your friend no good and discredits Umbrellas made of paper are coming into use in France. The paper is made waterproof by gelatined bichromate of

The minister who loves to discourse upon the delights of the rural surroundings often spends his own vacation in the cap itals of Europe. Dead men's shoes are very often sur

prising, but probably none more so than

he legacies of the late Horace Daniels, of New London, Conn., who bequeathed \$400,000 to his friends, and now they can not find where the property is.

"Very few people know the origin of the word texas, as applied to a certain part of a steamboat," said an old river captain. 'All modern boats don't have the texas, though it was an essential of the old system in the halcyon days of steamboating. The texas, you know, is that apartment of the upper deck just beneath the pilot house where the crew shifts sleep. The word was first applied in the troublous imes of the '30s and '40s, when Texas was ighting for liberation from the despotic rule of Mexico, and afterward when the United States was plunged into war with he Aztecs to maintain the rights the brave Texans had wrung from Santa Ana. Recruits from the United States were caried down the Mississippi to New Orleans and thence across the gulf to Texas to help

the Lone Star men in their war. "The boats that took them down the river were the first to construct the apartment for the crew, and that supports the pilot house. This innovation in boat building made it possible for travelers to peer through the little windows from an elevation that enabled them to see a greater cope of country on both banks than they had before been accustomed to sweep with their vision. The innovation coming on just at the time that Texas was causing such a commotion all over the world, pas sengers and boatmen with one accord al ways referred to the apartment as the texas. The name has stuck to it ever since, and is about as good as any other though I often hear people wonder at its origin."—St. Louis Globe-Democrat.

Changes in the Style of Eating. Eating and drinking go on in one eternal ound, but no longer, as in the days of our forefathers, is it accounted a disgraceful thing for a man to eat in private instead of in his hall surrounded by his retainers. No longer do aristocratic diners toss their bones onto the floor and eat with their fingers, nor do queens as a general rule order dishes that please them to be put aside for their supper.—London Cor. Chicago Herald.

Use an Open Pot. Keep the lid off when boiling cabbage, turnips, peas or beans. Cook the two first named vegetables fast in salted water for aalf an hour .- New York Journal.

Miles' Nerve & Liver Pills. Act on a new principle—regulating he liver, stomach and bowels through the nerves. A new discovery. Dr. Miles' Pills speedily cure biliousness, bad taste, torpid liver, piles, constipation. Unequaled for men, women, children. Smallest, mildest, surest! 50 doses 25 cents. Samples free at A. G. Daley's drug store.
