W. BALTIMORE ST., THE LOCAL NEWS FIELD.

A NEW SCHOOL BOARD. They Qualify and Enter Upon Their Du

After hanging fire several weeks after the last member of the old board resignannounced the new school commissioners for Howard county. They are, Mr. Henry O. Devries, for the long term of Dr. John W. Hebb, expiring in 1900; term of ex-President Robert A. Dobbin, expiring in 1898, and the Rev. Dr. Henry Branch for the short term of John T. Hardey, expiring in 1896.

we have no doubt the county school af- improved physically very much. fairs will be conducted in a satisfactory manner.

The new incumbents of the office qualified on Wednesday and organized with Mr. Devries as president, and reappointed Dr. Luke M. Shipley secretary, treasurer and examiner. There were no other applications for the position.

The board immediately went to work to arrange for the payment of the teachers' salaries, now due for the fall term, and the sum of \$2000 was borrowed from the Patapsco National Bank for that purpose. Dr. M. Gist Sykes was appointed trustee of the Ellicott City schools in place of Dr. Branch. Senator John G. Rogers' term as counsel ceased with the old board. One of the board stated that the selection of counsel will be an after consideration. It is stated that the board will prepare a statement for at the next meeting. It was stated Thursday by a person familiar with the affairs of the old board that the new board will be confronted by difficulties they are not probably aware of as yet. The schools now number 64, and the expenses necessary to run them properly are su h that unless there is an increased appropriation the board will remain habitually in debt. It is likely the next statement of the board will enlighten the public as to the exact condition and what is needed and public sentiment will be in favor of the necessary appropriations.

Dedication of the Presbyterian Church The completion of the new Presbyterian Church will be marked by services of more than usual interest. The circumstances of the destruction of the old church, after fifty years' standing, created a sympathy in the community which found expression in generous help and assistance which has enabled that congregation to erect a building at once an ornament to the town and a most

attractive home for the worshipers. The exercises on Sunday, 23rd inst., prepared by the pastor, involving the symbolism of the Old Testament and will have charge of the services. The choir will be assisted by the Alberton Orchestra. The sermon will be preached by Revd. George E. Jones, D. D., Said the turnkey forgot t Stated Clerk of the Presbytery of Balti- and they all walked out.

A children's service will be held at Park Church, Baltimore.

At 7.30 P. M. a service for greetings and congratulations will be held, addresses from neighboring Pastors, Dr. Hall Harrison, of St. John's Episcopal Church, Revd. E. C. Ide, of the German Lutheran Church, Revd. Jos. F. Jennison of the Catonsville Presbyterian Church and others may be expected. Letters have been received from Drs Grier and Bittinger and Revd. Mr. Hooper, former Pastors, also from Revd. R. Andrews Poole, of St. Peter's Episcopal, Revd. P. B. Tarro of St. Paul's R. Catholic Church, Revd. Frank A. Kilmon of the Relay M. E. Church and others.

The public is cordially invited to be present.

DEDICATION HYMN. The following hymn was composed to be sung at the dedication:

From the ruins of the Chapel, Which God purposed to destroy. There hath risen a nobler Temple; Its foundations laid in Joy. Like a resurrection-body.

Fitty framed to hold the soul Of the Church whose ramparts languished, To perfection grew the whole.

And sad Daughters, who went mourning For the Zion God laid low, In His judgments now rejoicing, Would His Loving-Kindness show.

Beautiful in every line. Be it said of Thee, New Zion, "Beauty of the Lord is Thine." "Every grace, for which we loved Thee,

Be in Thee now multiplied; All Thy saints be joyful in Thee, And Thy Prophets' truth supplied May the Lord now rise upon Thee,

And mayest Thou arise and shine, Till all down Thy holy mountain Stream the rays of Light Divine."

NOTES CONCERNING THE CHURCH. Mr. U. Jeanneret, watchmaker, of Ellicott City, had presented the Presbyterian Church with & clock framed in wood to corresponded with the woodplaced in position. The new organ has \$300 was made, making an aggregate arrived and will be used on Sanday. Sherry, Lynch and Vinson, and the case was opened for the defense by Lawyer Edgar H. Gans Dr. Hebb was placed on the stand and in substance acting under the advice of Dr. Stewart, of the State Board of Health, ordered the examination and vaccination of the school children, and decided to appropriate \$300 for the purpose, without any thought at the time of whom should be employed to do the work. The provision of the law in regard to the vaccination of school children had been neglected in Howard county for several years, and the school board thought it the part of wisdom to expend the necesgary sum to have the work done, rather than risk the payment of the fine imposed by the law for violations of the provisions by neglect. Later it was decided that as Dr. Hebb was a member of the board, and interested in the welfare of the schools, he should be selected as e physician. Another appropriation \$600. Dr. Hebb testified that he

Club having been completed, the club had a very successful formal opening at their room in Flester's Hall last Friday ford, reporters on the Elmira Telegram. passed through Laurel last week on foot.

A bulletin has just been issued by the Agricultural Department which should be of great value to farmers of this county. It emanated from the Bureau of Animai Industry, which has been conducting an exhaustive investigation as to the causes and cure of cholera in hogs. Here is what the report says: The most efficacious remedy tried by the governantimony, sulphide, one pound each; sodium chlorate, sodium bicarbonate and sodium hyposulphite, 2 pounds each These are to be completely pulverized and mixed, and a daily dose of a large tablespoonful for each 200 pounds weight of hoga given. The medicine may also be used as a preventive of those diseases. It should be put in the feed of the entire herd. To insure more success-
