SECOND DISTRICT. Saturday, November 2, 7 P. M., at Ellicott SIXTH DISTRICT. aturday, November 2, 7 P.M., Savage. EXECUTIVE COMMITTEE.

The most astonishing pretensions of Maryland this year, and we promise you the Combine is their avowed purpose of reforming the politics of Maryland by placing the Republican party in power. As well may you try to reform a recreant church by giving Satan charge of its spiritual affairs. One is about as reasonable as the other. The Republicans of Howard county, encouraged by certain "independent" allies, have assumed an attitude which would be shocking to the moral sense of every right-minded man were we not in the neat of an extraor inary political struggle. From all parts of the county comes the statement that the Republicans have money and lots of it. That it is their intention to buy enough votes to elect their candidates, if they can do it, goes without saying. Ten, fifteen and even as high as twenty-five dollars have been offered for the vote or influence of a single man. But what a shocking spectacle it is Men under the garb of reform and in favor of "good government," debauch\_ ing voters! Polluting the fountain heads of the streams that are to make up the grand aggregate of Republican hypocrisy. It is the same old God-and-morality party which in its days of embryo sympathized with the cut throat designs of old John Brown, and later stole states, squandered their resources and finally committed the colossal sin of stealing the Presidency of these United States.

Democrats of Howard, this is the time to strike. If you den't do your whole duty you may regret it the remaining years of your lives. Let every man put his shoulder to the wheel until the clock tolls six Tuesday evening to see that every Democratic voter is out and let this scheme to deceive the honest voters of Howard be snowed under. Don't forget it; every vote against the Democratic ticket merely "to down" Mr. Gorman is an encouragement to the Republican party to go on with its nefarious partisan methods.

Remember, every Democrat who is not satisfied with his party, and even thinks he has reasons for being so, is bound to make matters immeasurably worse by elevating the Republican party. This has been proven a thousand times over.

The Republican party is owned body and soul by the corporations. The corporations and the anti-reassessment True Copy-Test: people are furnishing money to buy up Howard county. Will you submit to it? Let not the strong arm of Democracy which has ever been stretched out in defense of the people be paralyzed. A long pull, a strong pull and pull altogether and our prestige is saved.

The address issued to Democrats signed Mr. II. W. Talbott, chairman of the Democratic State Central committee, and Mr. John Walter Smith, chairman of the Democratic State Campaign Committee, appearing on Thursday in the Baltimore Herald, is a noble one, and ought to be read by all Democrats. It simply speaks the truth and presents some incontrovertible arguments.

Every man on the Democratic ticket is a good representative man. Clean in all respects they enjoy the respect of their fellow citizens in private life and ho Democrat in reason can refuse to vote the whole ticket.

It would be hard to explain the course Do you remember after the passage of of the Baltimore Sun in the present camthe present tariff bill, the Sun and other paign. The Sun's hitherto high charnewspapers spoke of it as the Gorman acter gave it a splendid prestige which bill, and predicted its utter failure as a extended beyond the borders of our financial and economic measure, not-State. It has deliberately frittered all withstanding the fact that it added milthis away, for whether success or defeat lions to the revenue of the country? Has any one seen an article of recent date in comes to the Democratic party it has the Sun alluding to the self-same bill as shattered a good name and ever will be the Gorman bill? Oh, no, now it is the egarded by the Democracy a veritable Wilson bill pure and simple. It boasts of Ishmæl in politics. It speaks of the volunto give the people the best possible cantary increase of the laborer's wages all didate, the Sun savagely enters upon over the land, and yet this is the self crusade against him for the purpose of same bill Arthur P.
