MONEY IN MAKING CENTS

THE LITTLE COPPER COIN HAS TAKEN A NEW LEASE ON LIFE. Uncle Sam makes a profit of \$870 on Every Million Coined...

There is money in minting cents from the Government's point of view. The copper 'blanks' are not made by the Treasury...

Until within the last few years the blanks for cents and nickels were made at the Philadelphia Mint...

One pound avoirdupois of the blanks for cents costs the Government twenty cents, and makes \$1.40 worth of pennies...

Very few pennies come back to the Mint for remelting. The stream of coppers flows out continually...

It is generally conceded that sixty miles an hour is the practical limit of speed on steam railways...

WE HAVE AGE ENOUGH.

No American Need Long for Objects of Venereal Disease. We are accustomed to speak of everything in America as brand-new...

Let us follow out this suggestion, and taking Harvard University as a measure of age, see where the world was standing at the time of the foundation of that institution...

When a woman is indifferent to the size of her feet, it is a sign of old age. A Child Enjoys The pleasant, gentle action and soothing effect of Syrup of Figs...

There is a great deal of common sense in getting sense in time. The man who assiduously courts trouble will be married to it.

Unanimity of Opinion. The mighty Sheikh Abdullah, desiring to test the sincerity of his conciliators, asked the court sage, old Enkezi...

It is often a good thing that men do not practice what they preach. N.Y. stopped free by Dr. Kline's Great Males Restorer. No. 115 after first day's use...

ASTHMA POPHAM'S ASTHMA SPECIFIC. Popham's Asthma Specific is a powerful remedy for the cure of Asthma...

Bubbles or Medals. "Best sarsaparilla." When you think of it how contradictory that term is, for there can be only one best in anything...

QUEER FOOD USED BY MAN.

STRANGE ARTICLES OF DIET THE WORLD OVER. Chinese Fond of Swallows' Nests—Lion and Crocodile Steaks Are Considered Palatable.

The general rule is that beasts of prey are not good for food, but there are striking exceptions to the rule, and among others, the tiger is sometimes eaten in India.

The fox, though an object of sport, is seldom thought of in connection with the table, yet it is sometimes eaten by Indians. Several species of monkeys afford food for the natives of their habitats.

Dogs are eaten by the California Indians in times of distress; they do not use them for this purpose in ordinary times, because they are too valuable to them for other purposes.

The rhinoceros, the elephant and the hippopotamus, three most gigantic of creatures, are all edible, and, indeed, greatly esteemed as food.

The selection of the tongues of birds as an article of diet seems to us strange, yet the tongues of song birds and of the parakeet were great delicacies among the Romans.

Whales are no longer eaten by civilized men, but in the thirteenth century their tongues were held in great esteem in parts of Europe.

shall we whip

Whip a poorly nourished horse when he is thoroughly tired. He may go faster for a few rods, but his condition is soon the worse for it.
