Prevention better than Cure. For the Prevention and Cure of Bilious and Malignant Fevers, is recommended

HAIN'S ANTI-BILIOUS PILLS. Prepared (only) by H. LEE, 56 Maiden Lane, New York.

THIS Medicine has, for ten years past, been attended with a degree of success highly grateful to the inventor's feelings, in several parts of the West-Indies, and the southern of the United States, particularly in Baltimore, Petersburg, Richmond, Norfolk, Edenton, Wilmington, Charleston and Savannah.

It is not indeed presumptuously proposed as an infallible cure, but the inventor has every possible reason that can result from extensive experience, for believing that a dose of these pills, taken once every two weeks, during the prevalence of our bilious fevers, will prove an infallible preventative—and further, that in the earlier stages of those diseases, their use will very generally succeed in restoring health, and frequently in cases esteemed desperate, and beyond the power of common remedies.

The operation of these pills is perfectly mild, so as to be used with safety by all persons in every situation, and of every age. They are excellently adapted to carry off superfluous bile, and prevent its morbid secretions—to restore and amend the appetite—produce a free perspiration, and thereby prevent colds, which are often of fatal consequences. A dose never fails to remove a cold, if taken on its first appearance.

They have been found remarkably efficacious in preventing and curing disorders attendant on long voyages, and should be procured, and carefully preserved for use by every seaman.

Certificate of Mr. William Devenney. During the last nine years, I have been in the habit of using Hain's Anti-Bilious Pills, prepared by the late Mr. Lee, whenever colds, head-aches or costiveness have rendered medicine necessary; in these cases a single dose has uniformly removed my head-ache, and has generally been found sufficient to remove every symptom of cold, if taken on its first appearance.

HAMILTON'S Celebrated Worm-Destroying Lozenges, Which there is reason to believe, have, within ten years past, cured upward of two hundred thousand persons of both sexes, of every age, and in every situation, of various dangerous complaints arising from worms, and from obstructions or fulness in the stomach and bowels.

This medicine bears no analogy whatever to others of similar title, so commonly complained of as operating with violence; on the contrary, a particular excellence of this remedy is its being suited to every age and constitution. It contains nothing but what is perfectly innocent, and is mild in its operation that it cannot injure the most delicate pregnant lady, or the tenderest infant of a week old, should no worms exist in the body, but will, without pain or griping, cleanse the stomach and bowels of whatever is foul or offensive, and thereby prevent the production of worms and many fatal disorders.

The lozenges are particularly efficacious in carrying off all gross humors and eruptions, febrile and bilious complaints, and are the safest and mildest purgative that can be used on any occasion.

Cases of Cures, selected from thousands, the authenticity of which any person may ascertain, either by letter or personal application, not being performed in Europe, nobody knows where—but at home.

TAPE-WORM. Mr. Samuel Fuller, inn-keeper on the Hart-ford, ten miles from Baltimore, began about 12 months ago, to be grievously afflicted with a tape-worm, which increased fast in size and strength, so as to excite the most horrid sensations by its writhing motions and intolerable pains, resembling the gnawing and tearing of his bowels, which deprived him of his necessary sleep, and caused such dreadful apprehensions as cannot be described but by one in a similar situation; his appetite declined rapidly, and with that his strength, so that he was unable to attend to any business; when he heard of some excellent cures performed by Hamilton's Worm Lozenges, he took a large dose, which brought away about 4 yards (now in possession of H. Lee); but a renewal of his pains soon convinced him that this monstrous reptile had recovered its first vigour.

Application was made for more of the medicine, with advice, from which resulted the total expulsion of his formidable enemy, in several pieces, which he supposed to be six or

eight yards more. A few weeks later might elapsed, and Mr. Fuller is now in perfect health. The above facts are well known to a numerous circle of his neighbors, and he himself will gratify any who may wish to make further inquiries on the subject.

Letter from Mr. Henry Ackerman, brick-layer, in Magazine-street, near Broadway, New-York.

It would be ungrateful were I to withhold my testimony in favor of Hamilton's Worm Destroying Lozenges. I had been between 5 and 6 years past much indisposed, and latterly often tormented with severe griping and pains in the bowels, troubled with offensive breath, with violent feverish fits, and other obvious symptoms of worms; but frequently hearing your Worm Lozenges recommended in cases similar to mine, I determined on a trial of them, as my last resource.

Dr. Hamilton's Grand Restorative, Which the inventor confidently recommends as an invaluable medicine for the speedy relief, and permanent cure of various complaints which result from dissipated pleasures, juvenile indiscretions, residence in climates unfavorable to the constitution, the immoderate use of tea, frequent intoxication, or any destructive intemperance, the unskillful or excessive use of mercury, the diseases peculiar to females at a certain period of life, bad layings, &c.

By once using Lee's Sovereign Ointment. The proprietor informs those persons and families who are suffering under this disease (against the infection of which no person is safe) that if this ointment is used at night on going to bed it never fails to perform a cure by the following morning, as thousands who have used it during the last ten years can testify.

Genuine Persian Lotion, The Restorative Powder—for the Teeth and Gums.

Hahn's Genuine Eye-Water, A sovereign remedy for all diseases of the eyes.

Hamilton's Essence & Extract of Mustard For Rheumatism, Gout, Palsy, Swelling, Numbness, &c.

Tooth-Ache Drops, The only remedy yet discovered, which gives immediate and lasting relief in the most severe instances.

The Anodyne Elixir, For the cure of every kind of head-ache.

The Damask Lip Salve, For the cure of every kind of head-ache.

Infalible Ague & Fever Drops, Observe the Agency is removed. The above well known Medicines are for sale in Baltimore, only by G. & R. Waite, at their Lottery-Office, No. 156, Market-street, corner of St. Paul's-lane; and at Sam. Barnes's Lottery-office, No. 1, Market-street, Fell's Point—and no where else in Baltimore.

BALTIMORE Water Company's Office, JUNE 6, 1810.

IN order to preserve the water of Jones's Falls as pure as possible for the use of the inhabitants of the city, it is judged necessary to publish once more an extract from the Law respecting it—and to caution the uninformed to beware of violating it, as endeavors will be used to execute the law against offenders, without respect to persons.

By order of the Board, JOHN BAYNARD, Sec'y.

And be it enacted, That if any person shall wilfully pollute the said Water, between the pumping-house of the said Company and the mill on Jones's Falls, now owned and occupied by John Stricker and William Patterson, by throwing any dead animals, or other impure substances, into the same, or by swimming, bathing or washing themselves, or by erecting any necessary or other nuisance so near the said Water, as to pollute the same, the person or persons so offending, shall forfeit and pay to the said Company, a sum not exceeding twenty dollars for every such offence—to be recovered by warrant, before any magistrate of the county or city of Baltimore—and shall be obliged to remove the said nuisance, or forfeit and pay the sum of ten dollars for every day the same shall continue, to the use of Baltimore county, to be recovered by action of debt, at the suit of the State.
