In albiniting the above achieve to the public, the Managers will not attempt any culogious on the importance or necessity of the object in view. They believe that, at this time, not a doubt exists in the mind of any weil informed person, of the efficacy of the Kine Pock as a safe and certain preventative of the Small Pon. The difficulty, and it might be added the impossibility of preserving this remedy without the aid of an Institution, (such as is incaded to be established and supported by the pectas arising from this Lottery) is also well known. But it is proper to observe, that this Institution not only contemplates to preserve the genuine Viccine Matter for the use of the clinicans of this state, but also to give it, as all times, tree of every expense, (with directions when required to use it. To aid them in accompashing orderts such as these, the Managers feel condition of the liberal and prompt support of the public.
