TAPE-WORM.

Mr. Samuel Fuller, inn-Leeper on the Hartford, ten inites from Baltimore, began about 12 months ago, to be guiceously afflicted with a tape-worm, which increased first in size and strength, so as to excite the most horred sensations by its writing motions and intelerable pains, resembling the gnawing and tearing of his howels, which deprived him of his necessary sleep, and caused such dreadful apprehensions as cannot be described but by one in a similar situation; his appetite declined rapidly, and with that his strength, so that he was unable to attend to any business; when he heard of some excellent cerespectormed by Hamilton's Worm Lozenges, he took a large dose, which brought away about 4 yards (now in possession of H. Lee); but a renewal of his pains soon convinced him that this monstrous reptile had recovered its first vigour. Application was made for more of the medicine, with advice, from which resulted the total expulsion of his formidable enemy, in several pieces, which he supposed to he six or expulsion of his formidable enemy, in several pieces, which he supposed to be six or

eight yards mere. A few weeks have since elapsed, and Mr. Fuller is now in perfect health. The above facts are well known to a numerous circle of his neighbors, and he himself will gratify any who may wish to make further inquiries on the subject.

Although Mamilton's Worm Lozenges produce such powerful effects, when necessary, yet they are perfectly innocent and mild in their operation on the human body, even when taken in large doses as Mr. Fuller
