LEE'S
Worm-Destroying Lozenges.
THIS Medicine, which is as innocent and
mild as it is certain and efficacious in its op-
eration, cannot injure the youngest infant,
should no worms exist in the body; but will
without pain or griping, cleanse the stomach
and bowels of whatever is foul or offensive,
and thereby prevent the production of worms
and many fatal diseases.

Among the symptoms attending worms, are
disagreeable breath, especially in the morning
—bad and corrupt gums—itching at the
nose and about the seat—convulsions and epi-
leptic fits, and sometimes privation of speech
—starting and grinding of the teeth in sleep
—irregular appetite, sometimes loathing of food
and some times voracious—purging, with itchy
and fœtid stool—vomiting—large and hard
belly—pains and sickness at the stomach—
pains in the head and thighs, with lowness of
spirits—dry fever, with small and irregular
pulse—a dry cough—excessive thirst—some-
times pale and an early countenance, and
sometimes the face bloated and flushed.

Persons afflicted with any of the above symp-
toms, should have immediate recourse to Lee's
Worm-Destroying Lozenges, which have been
constantly a tried and successful in all com-
plaints similar to those above described.

From the many cases of cures that daily
come to our knowledge, we have selected the
following:
Messrs. Mich. Lee & Co.

Observe that my son, six years of age,
was troubled with difficulty in breathing,
(something frequent rising in his throat) rest-
lessness at night, loss of flesh, &c. From
those symptoms, I was convinced he had worms,
and having procured a box of Lee's Worm-
Destroying Lozenges, the first dose expelled
twenty-three large worms, which gave him
immediate relief—He now enjoys a good state
of health, and I believe I can from experience
say, that Lee's Lozenges are the most effica-
cious remedy for worms now in use.

THOMAS PETERS,
of the late firm of Peters & Johnson.
Baltimore, July 1, 1810.

Messrs. Mich. Lee & Co.
A child of Mr. Henry Grimes, near Mr.
E. Betts's nail factory, was for upwards of 18
months violently afflicted with sickness, which
appeared to proceed from worms, the symp-
toms were restlessness at night, debility, pins
in the legs, loss of flesh, &c. After having
the advice of an eminent physician, and try-
ing a variety of medicines with success, the af-
flicted parents were advised to try Lee's
Worm-Destroying Lozenges, which expelled
during the operation of the medicine, a great
quantity of large worms, some of which mea-
sured 12 inches—the child now enjoys a good
state of health.
Baltimore, June 8, 1808.

Messrs. Mich. Lee & Co.
You are at liberty to publish the astonish-
ing cure performed by your Lozenges on my
son, ten years old, who was afflicted with
sickness, pain in his side, and a continual head-
ache, which reduced him so low that he was
unable to sit up. One of my neighbors advis-
ed me to use your Lozenges, which has had
the happy effect of restoring him to a better
state of health than he has enjoyed for sev-
eral years, in the short space of 17 days.
JOHN KELLY,
Pitt-street.

Messrs. Mich. Lee & Co.
My son, five years old, has for some time
past been very unhealthy, having fever, head-
ache and loss of appetite. Hearing of the man-
ny cures performed by your Worm Lozenges,
I was induced to give them a trial. The ef-
fect was beyond my expectation, as a large
quantity of small worms was expelled; hun-
dreds of them were alive for some time after.
JOHN KENNEDY,
Potter-street

Edward Higgins, South-street, Baltimore,
administered Lee's Lozenges agreeable to the
directions, to his child of 14 months old—the
first of which expelled a worm measuring 20
inches long and near half an inch thick; the
second dose expelled another 16 inches long
and the same thickness, and a quantity of small
worms mixed with slime, &c. The child en-
joys a good state of health.

Negro Boy GEORGE.
RANAWAY from the subscribers, on Tues-
day evening last, a Negro Boy about twelve
years of age. He has only on (being pay-
ing about our store door prior to his going off) his
coarse linen shirt, calico jacket and blue
knicker pants. He was bought from L. D.
Teackle, esq. Princess Anne, Somerset coun-
ty, and may probably endeavor to get off in
some of the Eastern Shore boats for that place.
It may also be, that an uncle of his, named
Oliver, who follows the water, may have se-
cured him, or that some Georgia man may
have kidnapped him. The boy is stout and
well made, with a good countenance, pretty
black, speaks correctly, and will instantly an-
swer to the name of George. If detected, on
being questioned, he will appear confused—
We request constables and the public generally,
if they observe such a boy lurking in their
neighborhood to secure him. Five Dollars re-
ward will be given if taken in the city—Ten
Dollars if in the county, and 20 dollars if in
any other county in the state.

N. B. We have some idea he may be lurking
about the wharves, particularly from Far-
gan's ship-yard, though Frederick-st. up to Mr.
