 the original recipes in possession of his  
 Widow in New-York, by whom they are  
 supplied, and without whose signature none  
 are genuine.

**Prevention better than Cure.**  
 For the Prevention and Cure of Bilious and  
 Malignant Fevers, is recommended

**HAIN'S ANTI-BILIOUS PILLS.**  
 Prepared (only) by H. LEE, 56 Maiden  
 Lane, New York.

**THIS** Medicine has, for ten years past,  
 been attended with a degree of success  
 highly grateful to the inventor's feelings,  
 in several parts of the West-Indies, and  
 the southern of the United States, particularly  
 in Baltimore, Petersburg, Richmond, Nor-  
 folk, Edenton, Wilmington, Charleston and  
 Savannah. The testimony of a number of  
 persons in each of the above places has been  
 obtained, who have reason to believe that a  
 timely use of this salutary remedy has, un-  
 der Providence, preserved their lives when  
 in the most alarming circumstances.

Facts of this conclusive nature, speak more  
 in favour of a medicine than columns of  
 pompous eulogy founded on mere assertion  
 could do.

It is not indeed presumptuously proposed  
 as an infallible cure, but the inventor has  
 every possible reason that can result from  
 extensive experience, for believing that a  
 dose of these pills, taken once every two  
 weeks, during the prevalence of our bilious  
 fevers, will prove an infallible preventative  
 —and further, that in the earlier stages of  
 those diseases, their use will very generally  
 succeed in restoring health, and frequently  
 in cases esteemed desperate, and beyond the  
 power of common remedies.

The operation of these pills is perfectly  
 mild, so as to be used with safety by all  
 persons in every situation, and of every age.

They are excellently adapted to carry off  
 superfluous bile, and prevent its morbid  
 secretions—to restore and amend the appetite  
 —produce a free perspiration, and thereby  
 prevent colds, which are often of fatal  
 consequences. A dose never fails to remove  
 a cold, if taken on its first appearance. They  
 are celebrated for removing habitual  
 constiveness—sickness at the stomach and  
 head-ache—and ought to be taken by all persons  
 on a change of climate.

They have been found remarkably effica-  
 cious in preventing and curing disorders at-  
 tendant on long voyages, and should be pro-  
 ceeded, and carefully preserved for use by  
 every seaman.

**Certificate of Mr. William Devenney.**  
 During the last nine years, I have been in  
 the habit of using Hain's Anti-Bilious Pills,  
 prepared by the late Mr. Lee, whenever  
 colds, head-aches or constiveness have  
 rendered medicine necessary; in these cases  
 a single dose has uniformly removed my  
 ailment, and has generally been found suffi-  
 cient to remove every symptom of cold, if  
 taken on its first appearance. Induced by  
 the benefit received, I have for many years  
 recommended them to many of my friends,  
 and I have the pleasure to inform you, they  
 have invariably succeeded, in removing the  
 above complaints. Yours, &c.

WM. DEVENNEY,  
 145, Cherry-street, New-York.

**HAMILTON'S**  
**Celebrated Worm-Destroying Lozenges,**  
 Which there is reason to believe, have,  
 within ten years past, cured upward of two  
 hundred thousand persons of both sexes,  
 of every age, and in every situation, of various  
 dangerous complaints arising from worms,  
 and from obstructions or foulness in the  
 stomach and bowels.

This medicine bears no analogy whatever  
 to others of similar title, so commonly  
 complained of as operating with violence; on  
 the contrary, a particular excellence of this  
 remedy is its being suited to every age and  
 constitution. It contains nothing but what  
 is perfectly innocent, and is mild in its  
 operation; it cannot injure the most delicate  
 pregnant lady, or the tenderest infant of a  
 week old, should no worms exist in the  
 body, but will, without pain or griping, cleanse  
 the stomach and bowels of whatever is foul  
 or offensive, and thereby prevent the pro-  
 duction of worms and many fatal disorders.  
 The lozenges are particularly efficacious in  
 carrying off all gross humors and eruptions,  
 feverish and bilious complaints, and are the  
 safest and mildest purgative that can be used  
 on any occasion.

A dose of this medicine given occasionally  
 during the warm season, will effectually pre-  
 vent the "vomiting and purging of children,"  
 a dreadful disorder, which annually  
 destroys thousands of the infant part of our  
 citizens. It is likewise the mildest and most  
 certain remedy known, and has restored to  
 health and strength a great number when in  
 an advanced stage of this fatal complaint.  
 Particular and plain instructions are given  
 for every part of the necessary treatment in  
 such cases.

Children generally take this medicine with  
 eagerness; having a pleasing appearance,  
 and an agreeable taste.

Cases of Cures, selected from thousands,  
 the authenticity of which any person may as-  
 certain, either by letter or personal applica-  
 tion; not being performed in Europe, nobody  
 knows where—but at home.

**TAPE-WORM.**

Mr. Samuel Fuller, inn-keeper on the Hart-  
 ford, ten miles from Baltimore, began about  
 13 months ago, to be grievously afflicted  
 with a tape-worm, which increased fast in  
 size and strength, so as to excite the most  
 horrid sensations by its writhing motions  
 and intolerable pains, resembling the gnaw-  
 ing and tearing of his bowels, which de-  
 prived him of his necessary sleep, and caused  
 such dreadful apprehensions as cannot be  
 described but by one in a similar situation;  
 his appetite declined rapidly, and with that  
 his strength, so that he was unable to attend  
 to any business; when he heard of some ex-  
 cellent cures performed by Hamilton's Worm  
 Lozenges, he took a large dose, which  
 brought away about 4 yards (now in posses-  
 sion of H. Lee); but a renewal of his pains  
 soon convinced him that this monstrous rep-  
 tile had recovered its first vigour. Applica-  
 tion was made for more of the medicine,  
 with advice from which resulted the total  
 expulsion of his formidable enemy, in several  
 pieces, which he supposed to be six or

eight yards long. A few weeks have since  
 elapsed, and Mr. Fuller is now in perfect  
 health. The above facts are well known to  
 a numerous circle of his neighbors, and he  
 himself will testify any who may wish to  
 make further inquiries on the subject.

Although Hamilton's Worm Lozenges pro-  
 duce such powerful effects, when necessary,  
 yet they are perfectly innocent and mild  
 in their operation on the human body, even  
 when taken in large doses as Mr. Fuller  
 will testify. Their peculiar mildness is abun-  
 dantly evident in the following cures of infants.

Letter from Mr. Henry Ackerman, brick-  
 layer, in Magazine-street, near Broadway,  
 New-York.

It would be ungrateful were I to withhold  
 my testimony in favor of Hamilton's Worm  
 destroying Lozenges. I had been between  
 5 and 6 years past much indisposed, and lat-  
 terly often tormented with severe griping and  
 pains in the bowels, troubled with offensive  
 breath, with violent feverish fits, and other  
 obvious symptoms of worms; but frequently  
 bearing your Worm Lozenges recommended  
 in cases similar to mine, I determined on  
 a trial of them, as my last resource. The  
 first evacuated twelve or thirteen feet of a  
 tape worm, two other doses were taken,  
 which brought away a quantity of matter  
 broken like skins and pieces of worms. I  
 suppose the tape worm, voided at different  
 times, must in the whole have exceeded 40  
 feet. The almost incredible benefit I re-  
 ceived from this medicine, induced me to  
 give a dose to a child of mine who was pin-  
 ing and sickly; it produced the same good  
 effect in this instance, expelled a worm of  
 a different kind, from nine to twelve inches  
 long, and at the same time restoring a good  
 state of health.

HENRY ACKERMAN.

**Dr. Hamilton's Grand Restorative,**  
 Which the inventor confidently recom-  
 mends as an invaluable medicine for the  
 speedy relief, and permanent cure of various  
 complaints which result from dissipated  
 pleasures, juvenile indiscretions, residence  
 in climates unfavorable to the constitution,  
 the immoderate use of tea, frequent intoxi-  
 cation, or any destructive intemperance,  
 the unskillful or excessive use of mercury,  
 the diseases peculiar to females at a certain  
 period of life, bad layings in, &c.

And is proved, by long and extensive ex-  
 perience to be absolutely unparalleled in the  
 cure of nervous disorders, consumptions,  
 loss of spirits, loss of appetite, impurity  
 of the blood, hysterical affections, inward  
 weakness, violent cramps in the stomach and  
 neck, indigestion, melancholy, gout in the  
 stomach, pains in the limbs, relations, in-  
 voluntary emissions, seminal weaknesses,  
 obstinate gleet, fluor albus, (or whites) im-  
 potency, barrenness, &c. &c.

**ITCH CURED**

By once using Lee's Sovereign Ointment.  
 The proprietor informs those persons and  
 families who are suffering under this disease  
 (against the infection of which no person is  
 safe) that if this ointment is used at night  
 on going to bed it never fails to perform a  
 cure by the following morning, as thousands  
 who have used it during the last ten years  
 can testify. The peculiar excellencies of  
 this infallible remedy for the itch, over  
 every other, are the certainty of the cure by  
 a single application; the ingredients being so  
 innocent as to be applied with perfect safety  
 to the tenderest infant; and its being not  
 only free from any offensive smell, but equal-  
 ly agreeable with the pleasantest pomatum.
