In submitting the above scheme to the public, the Managers will not attempt any eulogium on the importance or necessity of the object in view. They believe that, at this time, not a doubt exists in the mind of any well informed person, of the effeacy of the Kine Pock as a safe and certain preventative of the Small Pox. The difficulty, and it might be addled the impossibility, of preserving this remedy without the aid of an Institution, (such as is intended to be established and supported by the profits arising from this Lottery) is also well known. But it is proper to observe, that this Institution not only centemplates to preserve the genuine Vaccine Matter for the use of the citizens of this state, but also to give it, at all ine Vaccine Matter for the use of the citizens of this state, but also to give it, at all times, free of every expence, (with directions when required) to any of them who may have occasion to use it. To aid them in accomplishing objects such as these, the Managers feel confident of the liberal and promot support of the public.

The Scheme on an attentive examination, will be found to afford inducements to adventurers, at least equal to any heretefore proposed in this city. All prizes will be paid within sixty days after the drawing is completed:

RANAWAY from the subscribers, on Tucsday evening last, a Negro Boy, about tweive years of age. He had only on, (being playing about our store door prior to his going off) his coarse linen shirt, calico Jacket and blue nankeen pantaloons. He was bought from L. D. Teackle, csq. Princess Anne, Somerset county, and may probably endeavor to get off in some of the Eastern Shore boats for that place: It may also be, that an uncle of his, named some of the Eastern Shore boats for that place: It may also be, that an uncle of his, named Oliver, who follows the water, may have secreted him, or that some Georgia nen may have kiduapped him. The bey is steut and well made, with a good count-nance pretty black, spraks correctly, and will instantly abswer to the name of George. If detected, on being questioned, he will appear confused—We request constables and the public generally, if they observe such a boy lettering in their neighborhood to secure him.
