**LEE'S**  
**Worm-Destroying Lozenges.**  
THIS Medicine, which is as innocuous and  
mild as it is certain and efficacious in its op-  
eration, cannot injure the youngest infant,  
should no worms exist in the body; but will  
without pain or griping, cleanse the stomach  
and bowels of whatever is foul or offensive,  
and thereby prevent the production of worms  
and many fatal disorders.  
Among the worms attending worms, are  
disagreeable breath, especially in the morning  
—ad and corrupt-d gums—tickling at the  
nose and abut the seat—convulsions, a d epi-  
leptic fits, and sometimes privation of speech  
—starting and grinding of the teeth in sleep  
—irregular appetite, sometimes loathing food  
and some more or less—purgings, with limy  
and fetid stool—vomiting—l. rge and hard  
belly—pains and sickness at the stomach—  
pains in the head and thighs, with lowness of  
spirits—slow fever, with small and irregular  
pulse—a dry cough—excessive thirst—some-  
times pale and an eathy countenance, and  
sometimes the face bloated and flushed.  
Persons afflicted with any of the above sym-  
ptoms, should have immediate recourse to Lee's  
Worm-Destroying Lozenges, which have been  
constantly a trend d with success in all com-  
plaints similar to those above described.

From the many cases of cures that daily  
come to our knowledge, we have selected the  
following:  
Messrs. Mich. Lee & Co.  
Observing that my son, six years of age,  
was troubled with difficulty in breathing,  
(something frequently rising in his throat) i  
restlessness at night, loss of sleep, &c. From  
those symptoms I was confident he had worms,  
and having procured a box of Lee's Worm-  
Destroying Lozenges, the first day expelled  
twenty-three large worms, which gave him  
immediate relief—He now enjoys a good state  
of health, and I believe I can from experie  
say, that Lee's Lozenges are the most effica-  
cious remedy for worms now in use.  
THOMAS PETERS,  
of the late firm of Peters & Johnson.  
Baltimore, July 1, 1810.

Messrs. Mich. Lee & Co.  
A child of Mr. Henry Grimes, near Mr.  
E. Berra's nail factory, was for upwards of 13  
months afflicted with worms, which  
appeared in the face, and which  
symptoms were attended at night, debility, pins  
in the legs, loss of sleep, &c. After having  
the advice of an eminent physician, and tryi  
a variety of medicines without success, the af-  
flicted parents were advised to try Lee's  
Worm-Destroying Lozenge, which expelled  
during the operation of the medicine, a great  
quantity of large worms, some of which mea-  
sured 12 inches—the child now enjoys a good  
state of health.  
Bal more, June 9, 1808.

Messrs. Mich. Lee & Co.  
You are at liberty to publish the astoni  
ing cure performed by your Lozenge on my  
son, ten years old, who was afflicted with  
worms, pain in his side, and a continual head-  
ache, which reduced him so low that he was  
unable to sit up. One of my neighbors advis-  
ed me to use your Lozenges, which has had  
the happy effect of restoring him to a better  
state of health than he has enjoyed for sever-  
al years, in the short space of 17 days.  
JOHN KELLY,  
Pitt-street.

Messrs. Mich. Lee & Co.  
My son, five years old, has for some time  
past been very unhealthy, having fever, head-  
ache and loss of appetite. Hearing of the man-  
ny cures performed by your Wm Lozenges,  
I was induced to give them a trial. The ef-  
fect was beyond my expectation, as a large  
quantity of small worms was expelled; hun-  
dreds of them were alive for some time after.

administered Lee's Lozenges agreeable to the  
directions, to his child of 14 months old—the

inches long and near half an inch thick—the se-  
cond dose expelled another 16 inches long and  
the same thickness, and a quantity of small  
worms mixed with slime, &c. The child en-  
joys a good state of health.
