LEE'S Worm-Destroying Lozenges.

THIS Medicine, which is as innocuous and mild as it is certain and efficacious in its operation, cannot injure the youngest Infant, should no worms exist in the body; but will without pain or griping, cleanse the stomach and bowels of whatever is foul or offensive, and thereby prevent the production of worms and many fatal diseases.

Among the symptoms attending worms, are disagreeable breath, especially in the morning—acid and corrupted gums—itching at the nose and about the seat—convulsions—a epileptic fit, and sometimes privation of speech—starting and grinding of the teeth in sleep—irregular appetite, sometimes loathing food and some time voracious—purgings with tiny and foetid stool—vomiting—Large and hard belly—pains and sickness at the stomach—pains in the head and thighs, with loss of spirits—stomach fever, with small and irregular pulse—a dry cough—excessive thirst—sometimes a pale and an unhealthy countenance, and sometimes the face bloated and flushed. Persons afflicted with any of the above symptoms should have immediate recourse to Lee's Worm-Destroying Lozenges, which have been constantly a tendered with success in all complaints similar to those above described.

From the many cases of cures that daily come to our knowledge, we have selected the following: Messrs. Mich. Lee & Co.

Observing that my son, six years of age, was troubled with difficulty in breathing, (something frequently rising in his throat) restlessness at night, loss of sleep, &c. From those symptoms I was convinced he had worms, and having procured a box of Lee's Worm-Destroying Lozenges, the first dose expelled twenty-three large worms, which gave him immediate relief—He now enjoys a good state of health, and I believe I can from experience say, that Lee's Lozenges are the most efficacious remedy for worms I now in use.

THOMAS PETERS, of the late firm of Peters & Johnson. Baltimore, July 1, 1810.

Messrs. Mich. Lee & Co. A child of Mr. Henry Grimes, near Mr. months' residence, afflicted with sickness, which appeared to proceed from worms, the symptoms were restlessness at night, convulsions in the legs, loss of sleep, &c. After having the advice of an eminent physician, and trying a variety of medicines without success, the afflicted parents were advised to use Lee's Worm-Destroying Lozenges, which expelled a quantity of large worms, some of which measured 12 inches—the child now enjoys a good state of health. Baltimore, June 8, 1808.

Messrs. Mich. Lee & Co. You are at liberty to publish the astonishing cure performed by your Lozenges on my son, ten years old, who was afflicted with worms, pain in his side, and a continual headache, which reduced him so low that he was unable to sit up. One of my neighbors advised me to use your Lozenges, which has had the happy effect of restoring him to a better state of health than he has enjoyed for several years, in the short space of 17 days. JOHN KELLY, Pitt-street.

Messrs. Mich. Lee & Co. My son, five years old, has for some time past been very unhealthy, having fever, headache, & loss of appetite. Hearing of the many cures performed by your Worm Lozenges, I was induced to give them a trial. The effect was beyond my expectation, as a large quantity of small worms was expelled; hundreds of them were alive for some time after. JOHN KENNEDY, Potter-street

Edward Higgins, South-street, Baltimore, administered Lee's Lozenges agreeable to the directions, to his child of 14 months old—the first of which expelled 12 worms measuring 20 inches long and near half an inch thick; the second dose expelled another 16 inches long and the same thickness, and a quantity of small worms mixed with slime, &c. The child enjoys a good state of health.

A. MILTENBERGER, No. 102, Market-street, at his Patent Medical Warehouse, B. or at Stationary store, and Franklin Printing Office. WARNER & HANNA, corner of Gay and Market-streets. JOHN VANCE & Co. 178, Market-st. 3 doors below Charles-st. & NATH. KNIGHT, 23, Fell's-street, Fell's Point.
