LEE'S

Worm-Destroying Lozenges.

THIS Medicine, which is as innocent and mild as it is certain and efficacious in its operation, cannot injure the youngest infant, should no worms exist in the body but will without pain or griping, cleanse the stomach and bowels of whatever is foul or offensive, and thereby prevent the production of worms and many fatal disorders.

Among the symptoms attending worms are disagreeable breath, especially in the morning—ad and corrupted gums—itching at the nose and about the seat—convulsions and epileptic fits, and sometimes privation of speech—starting and grinding of the teeth in sleep—irregular appetite, sometimes loathing of food and sometimes voracious—purging, with limy and frothy stool—vomiting—Large and hard belly—pains and sickness at the stomach—pruritus in the head and thighs, with looseness of spirits—alw fever, with small and irregular pulse—a dry cough—excessive thirst—sometimes pale and uncalhy countenance, and sometimes the face bloated and flushed.
Persons afflicted with any of the above symptoms, should have immediate recourse to **Lee's Worm-Destroying Lozenges**, which have been constantly attended with success in all complaints similar to those above described.

From the many cases of cures that daily come to our knowledge, we have selected the following:
Messrs. Mich. Lee & Co.

Observing that my son, six years of age, was troubled with difficulty in breathing, (sometimes frequent y rising in his throat:) restlessness at night, loss of sleep, &c. From those symptoms I was confident he had worms, and having procured a box of **Lee's Worm-Destroying Lozenges**, the first day he expelled twenty-three large worms, which gave him immediate relief.—He now enjoys a good state of health, and I believe I can from experience say, that **Lee's Lozenges** are the most efficacious remedy for worms now in use.
THOMAS PETERS,
of the late firm of Peters & Johnson, Baltimore, July 1, 1810.

Messrs. Mich. Lee & Co.
A child of Mr. Henry Grimes, near My. E. Bette's nail factory, was for upwards of 18 months violently afflicted with worms, which appeared to proceed from worms—the symptoms were restlessness at night, delirium, pains in the legs, loss of sleep, &c. After having the advice of an eminent physician, and taking a variety of medicines without success, the afflicted parents were advised to try **Lee's Worm-Destroying Lozenge**, which expelled during the operation of the medicine, a great quantity of large worms, some of which measured 12 inches—the child now enjoys a good state of health.
Bal more, June 8, 1803.

Messrs. Mich. Lee & Co.
You are at liberty to publish the astonishing cure performed by your Lozenges, on my son, ten years old, who was afflicted with worms, pain in his side, and a continual headache, which reduced him so low that he was unable to sit up. One of my neighbors advised me to use your Lozenges, which has had the happy effect of restoring him to a better state of health than he has enjoyed for several years, in the short space of 17 days.
JOHN KELLY,
Putt-street.

Messrs. Mich. Lee & Co.
My son, five years of age, has for some time past been very unhealthy, having fever, headache and loss of appetite. Hearing of the many cures performed by your **Worm Lozenges**, I was induced to give them a trial. The effect was beyond my expectation, as a large quantity of small worms was expelled; hundreds of them were alive for some time after.
JOHN KENNEDY,
Potter-street.

Messrs. Mich. Lee & Co.
Edward Higgins, South-street, Baltimore, administered **Lee's Lozenges** agreeable to the directions, to his child of 14 months old—the first of which expelled a worm measuring 20 inches long and near half an inch thick; the second dose expelled another 18 inches long and the same thickness, and a quantity of small worms mixed with slime, &c. The child enjoys a good state of health.
