Intelligence Office.
The convenience of such an establishment in a large city like this, can be readily appreciated, from the inconvenience which attends the want of it. Moved by this consideration, the subscriber informs the citizens of Baltimore, that he will immediately open a general **Intelligence Office**, at the corner of the Fish Market and Marsh Market, in the house lately occupied by George W. Miller, where he will provide himself with means of procuring places for servants, and servants for places; giving information respecting animals strayed; and of furnishing intelligence relative to rare and unusual articles of merchandise or traffic; together with such other articles of intelligence as interest the farmer coming to market, the citizen resident in town, or the stranger who may come hither by land or water.
Terms will be cheap and accommodating.

ADVERTISEMENT.
The subscriber was invested with the care and tuition of Osborn Sprigg, a youth of about 16 or 17 years of age, 5 feet 10 inches high, very stout of his age, and his utterance slow and cautious. He left my school some time in June last, and I have strong reasons to believe by the persuasion of one John Kennedy, a native of New London, cross roads in the state of Pennsylvania, where perhaps they now are. Kennedy was employed by me a short time as an assistant in the school, and they both left the city on the same day. Any person having knowledge of the place of residence of the said Osborn Sprigg, will by addressing a line to me making it known, perform an act of the greatest humanity, inasmuch as it will enable his aged and tender parent to a rest him from inevitable destruction.

The editor of the Aurora will give the above advertisement eight insertions, and send his bill to this office.

LEE'S
Worm-Destroying Lozenges.
THIS Medicine, which is as innocent and mild as it is certain and efficacious in its operation, cannot injure the youngest infant, should no worms exist in the body; but will without pain or griping, cleanse the stomach and bowels of whatever is foul or offensive, and thereby prevent the production of worms and many fatal diseases.
Among the symptoms attending worms, are disagreeable breath, especially in the morning—ad and corrupted gums—itching at the nose and abut the seat—convulsions and epileptic fits, and sometimes privation of speech—starting and grinding of the teeth in sleep—irregular appetite, sometimes loathing food and sometimes voracious—p. riging, with limy and fetid stool—vomiting green and hard belly—pains and sickness at the stomach—p. in the head and thighs, with weakness of spirits—al w fever, with small and irregular pulse—a dry cough—excessive thirst—sometimes pale and an calmy countenance, and sometimes the face bloated and flushed.
Persons afflicted with any of the above symptoms, should have immediate recourse to Lee's Worm-Destroying Lozenges, which have been constantly attended with success in all complaints similar to those above described.

From the many cases of cures that daily come to our knowledge, we have selected the following:
Messrs. Mich. Lee & Co.
OBSERVING that my son, six years of age, was troubled with difficulty in breathing, (something frequently rising in his throat) restlessness at night, loss of sleep, &c. From those symptoms, I was confident he had worms, and having procured a box of Lee's Worm-Destroying Lozenges, the first dose expelled twenty-three large worms, which gave him immediate relief—He now enjoys a good state of health, and I believe I can from experience say, that Lee's Lozenges are the most efficacious remedy for worms now in use.

THOMAS PETERS,
of the late firm of Peters & Johnson.
Baltimore, July 1, 1810.
Messrs. Mich. Lee & Co.
A child of Mr. Henry Crimes, near Mr. E. Betz's nail factory, was for upwards of 18 months entirely afflicted with sickness, which appeared to proceed from worms, the symptoms were restlessness at night, debility, pains in the legs, loss of flesh, &c. After having the advice of an eminent physician, and trying a variety of medicines without success, the afflicted parents were advised to try Lee's Worm-Destroying Lozenges, which expelled during the operation of the medicine, a great quantity of large worms, some of which measured 12 inches—the child now enjoys a good state of health.
Baltimore, June 8, 1808.

Messrs. Mich. Lee & Co.
You are at liberty to publish the astonishing cure performed by your Lozenges on my son, ten years old, who was afflicted with fever, pain in his side, and a continual headache, which reduced him so low that he was unable to sit up. One of my neighbors is advised me to use your Lozenges, which has had the happy effect of restoring him to a better state of health than he has enjoyed for several years, in the short space of 17 days.
JOHN KELLY,
Pitt-street.

Messrs. Mich. Lee & Co.
My son, five years old, has for some time past been very unhealthy, having fevers, headache, a loss of appetite. Hearing of the many cures performed by you Wm Lozenges, I was induced to give them a trial. The effect was beyond my expectation, as a large quantity of small worms was expelled; hundreds of them were alive for some time after.
JOHN KENNEDY,
Potter-street

Edward Higgins, South-street, Baltimore, administered Lee's Lozenges agreeable to the directions, to his child of 14 months old—the first of which expelled a worm measuring 20 inches long and near half an inch thick; the second dose expelled another 16 inches long and the same thickness, and a quantity of small worms mixed with slime, &c. The child enjoys a good state of health.
